Drainage scheme abandoned but execution stopped
Water supply works are being executed by G.W.D.

The water supply scheme has been abandoned
as being too costly. It is proposed to carry out the
drainage scheme piece meal.

Buttic Worlde Department is expending
The town has been burned and necessary
levels taken for a drainage scheme.

The Council has allotted funds for surveys and levels for drainage scheme but the Sanitary Commissioners consider that water supply should precede drainage. Neither of them could be dealt with until other works that are urgently in need of improvements are done with.

Surveys and levels have been taken for a water supply scheme and the preparation of the scheme will be included in the programme for 1898 (C. No 256 in mio retto 20-2-97)

The financing of the water supply scheme is still under the consideration of the Council.

Surface drainage scheme completed. Public Works & has been requested to arrange for the execution of sewerage works of Solingpore Municipality Street. Council has been directed to allot funds at once for the investigation of the water supply scheme. (G. No 1685 in no dated 28.7.97).
