4TH DECEMBER 1885, No. 1161 L.F., FINANCIAL.

GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

READ—the following paper :—

From G. D. LEMAN, Esq., Collector and President of the District Board, Coimbatore, to the Acting Chief Secretary to Government, dated Coimbatore, 12th November 1885, No. 135 L.F.G.

Referring to G.O., No. 930, of 23rd October, I have the honor to submit amended schedules and notifications with the following remarks.

2. *Taluk Boards.*—The revenue taluks of Kollegál and Satyamangalam cannot be one taluk for the purposes of the Act, as proposed, with any hope that the resident members of the one will attend meetings in the other, as they are separated by a journey of at least three days; and I am inclined to say that the divisional officer cannot properly perform the duty of President of both. Kollegál should, in my mind, have a separate taluk board, with special direction to the President (if divisional officer) to arrange to attend four meetings in the year.

3. The maximum of twelve members for Erode taluk board, consisting of four big revenue taluks, is too small; I would suggest it be raised to twenty, and that of Pollächi, which comprises three taluks, to sixteen.

4. *Unions.*—The villages of Ganapathi and Idikarai are small ones of little importance, and were only named because they and other villages grouped made a union. I should much prefer to replace them by villages large enough to be unions by themselves as a commencement, I would omit them and in their place propose the more important villages of Mettupálaiyam, Sugánallúr and Kuniyamuthur. Mettupálaiyam was a municipality some years ago, and is fast rising into importance. Its proximity to the Hills and it being a terminus of the Madras Railway render it all the more necessary to make it a union with better resources of its own and a special scavenging establishment under special supervision. Singánallúr and others have each a population of more than 5,000 souls. Several other large villages in the other taluks do not appear in the schedule, but I have added the most important of these.

5. I consider that house-tax can be raised in all these unions.

ORDER—dated 4th December 1885, No. 1161 L.F., Financial.

The following notifications will be published in the Fort St. George and the Coimbatore District Gazettes :—
