To

The Chief Secretary to Government
Fort St. George

Sir,

In acknowledging receipt of G.O.
 No 2343 W dated 16 September 1886,
 I have the honor to report my inability
 to utilize the building in question as
 it is not required in the Public Works
 Department of which I am now in
 charge, and the water works overseen
 of the Division in which the building
 is situated is already provided with
 accommodation for his office & stores.
 Under the circumstances, it
 would be a waste of money for the Madras
 Municipal Commission to undertake
 the maintenance of premises
 which might now be used
 as with G.O. dated 1886
