9TH OCTOBER 1886, No. 1033 M., FINANCIAL.

GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

READ—the following paper :—

From A. P. MACDONNELL, Esq., C.S., Officiating Secretary to the Government of India, Home Department (Municipalities), to the Chief Secretary to the Government of Madras, dated Simla, 29th September 1886, No. 138.

With reference to the correspondence ending with your telegram of the 18th instant, I am directed to say that, under the circumstances mentioned, the Governor-General in Council has not withhold sanction to the application of the Municipal Commissioner for permission to raise, in the Municipal fund, a further loan of Rs. 10,000 at 6 per cent., for the purpose of completing the works at that station. The loan is required for a period not exceeding three years, and the Municipality proposes to liquidate the same by means of a sinking fund paying 2 per cent.

2. In conveying this sanction, I am to say that the action of the Ootacamund Municipal Commissioners, in practically anticipating the sanction of the Government of India to this loan, appears to the Governor-General in Council to be open to severe censure, more especially as such sanction is required by the express terms of the law. I am accordingly to request that, with the permission of His Excellency the Governor in Council, a full explanation may be submitted showing the circumstances under which the additional work was undertaken and completed in anticipation of sanction to the loan from which it is to be paid. It should, at the same time, be impressed upon the Municipality that every effort must be made to reduce expenditure as much as possible so as to provide for repayment of the loan.

ORDER—dated 9th October 1886, No. 1033 M., Financial.

Communicated to the Chairman, Municipal Council, Ootacamund.

2. The explanation called for in paragraph 2 should be submitted at an early date and every effort made to reduce expenditure.
