2. The difference of Rs 36 alluded

items viz. Rs 28 under 'Buildings

and Rs 8 under 'Miscellaneous' as

has also been shown in Statement

V-B of 1884-85 which was obliged

to

to be copied in the same detailed form in Statement VI-B of 1885-86 although both the items (No 36) were shown under "Buildings" in the abstract at the head of the proceedings of Government in their order dated 10th July 1885, No 269. In, Financial.

Note
In Stat II however, both items were shown under Buildings & this was followed in the abstract.

3. The discrepancy under the head of Markets shown in para 3 was owing to the expenditure of Rs 2. incurred in connection with the Mosque Lane Bazaars having been, by mistake, debited under Grant IV 2(a) Establishment instead of debiting it under (b) contingencies. The alterations in the scale of Establishment alluded to are shown in the explanation submitted to Government in letter No 58 dated 10th July 1886.

4. As regards certain items shown as liabilities in the

note to Statement II. referred to in para 4, I beg to state that such a course was adopted with a view to show the net balance of the Municipality at the end of the year as the works in question were fully completed soon after the close of 1885-86 and prior to the submission of the annual report to Government.

I have the honor to be,
Sir,
