~~Sir,~~

Thro' the Sub Collector and the
Collector of Tanjore.

Sir

I have the honor to submit that there has been a long standing dispute between the Municipality of this town and [illegible] V. Doraisamy Iyer, a house owner [illegible] Pettah

Sewage waters of the backyards of about 100 houses situate in 3 streets Kamatchy Josier Agraharam Babichetty Street ~~and~~ Govindappa Agraharam. Mr V. Doraisamy Iyer's Contention from the beginning has been, that the drain, if there was any definite Course to be Called a drain, never passed through his backyard, but that it passed beyond it through a plantain garden over which a substantial building has now been Erected. The Existence of this dispute has been a Source of a great inconvenience and nuisance to the house-owners Concerned.

hardly leaving space to the houseowners for

ordinary daily use, and threatening the safety of the houses themselves if not drained out through the disputed passage. The frequent interference and obstruction on the west of Mr V. Doraisamy Iyer's led to the Municipality taking forcible steps to have it Cleared, and on one occasion the Municipality was even prosecuted by Mr V. Dorasamy Iyer for unlawful Entry and mischief. This prosecution was subsequently withdrawn owing to a Compromise between the parties which however was not Carried [illegible] Effect. The Municipality then attempt

3. That too fell through as Mr. V. Dorasamy Iyer insisted on the Municipality acquiring the whole house and backyard instead of the portion required, which the Municipality was not prepared to do as he charged Rs 20000/- for it.

4. A suit has now been brought by Mr. V. Dorasamy Iyer against the Municipal Council in the Court of the District Munsiff of this town for having it declared that no public drain ever passed through his backyard and for an injunction to restrain the Council from entering it, and for damages ... of the uncertainty
