Sir

With reference to G.O. no 862 m dated 20
August 1886 receiving the annual report of this
Municipality for 1885-86, I beg to offer the following
explanation.

1. The omission of Rs 1500 from statement D
"expenditure" was explained in the annual report (vide
lines 7 to 10 of para 16 which appears in page 3 of the
G.O. above quoted), and the license Tax statement is
herewith sent.

2. The delay in the collection of Tax on estate,
was due to the late disposal of appeals. Of the actual
balance of Rs 3241 (both arrears and current) Rs 2278
have been collected up to 30th September 86 and Rs 398
have been written off, for reasons stated in para 7 of the
report.

3.

referred to para 16

The difference between the figures entered in Column 13 of the previous year's statement and that entered in Column 2 of this is Rs 1574. The sum made provision granted to 3 persons (two in the 8th class re-empted and the other reduced from the 7th class to the 8th class) by the Board is Rs 35⁰⁰ " 55⁰⁰ " 40⁰⁰

There is a corresponding reduction in the figures entered in Column 14 of this statement

The amount actually paid is in excess of that payable by Rs 9-8-1. This sum which has been erroneously paid to Government from Municipal Fund has now been refunded to us.
