G.O. No. 1067

Press/Mis.

Dated 21-10-1886.

**Not to be folded or roughly handled**

No. 1552

Tanjore Municipal Office.
8 October 1886,

From

THE CHAIRMAN
Municipal Council
TANJORE.

To

The Chief Secretary
to Government
Madras.

Thro. the Divisional Officer,
TANJORE.

SIR,

I have the honor to lay before you copies of certain resolutions passed by the Council and to request you will be pleased to obtain the sanction of Government for carrying them out, as the Budget Estimate makes no provision. The Council expect to meet these extra charges from General Savings.

2. The first two relate to the Travellers Bungalow — one providing for the repair of the Building itself and the other for supplying

it with good furniture, and sanction an Expenditure of Rs 230 and Rs 300 respectively. The Government having called attention to the unsatisfactory state of the Travellers' Bungalow, the Council in deference to their remarks have passed these two resolutions and it is hoped that after the execution of the repairs and the supply of furniture contemplated in them, the Bungalow will be all that can be desired.

3. The third relates to the repair of Karuthattangudi dispensary and sanctions an Expenditure of Rs 105. The building leaks awfully and if left unrepaired is likely to tumble down in the next Monsoon. The work is in consequence of urgent nature.

4. The fourth regards the increase in the pay of the Hospital Assistant. In this matter the Council have apparently very little option under Government Order D/ 17th August 85 No 404 M. Further the present Hospital Assistant Soundarajulu Mudaly being very popular they do not grudge the increased Expenditure of Rs 10 per month on account of his promotion from the 3rd to 2nd Class.

The fifth resolution sanctions

an Expenditure of Rs 700 for repairing the butcher's stalls and for constructing a compound wall to the fish mongers shed in the Big Market. Both these works, the Council consider to be very important and are of opinion should be executed at once.

6. The sixth resolution involves no increase of expenditure, but only a modification in the number of gardeners and their pay. Instead of two boy gardeners on a salary of Rs 2-0-0 each, it is proposed to entertain one grown up person on a salary of Rs 4 a month and give the saving of 8 annas to

another gardener who is paid under the present scale only Rs 2-4-0. Occasion has been availed of a vacancy to introduce for the post of the gardener who is to draw Rs 2-12-0 a grown up person also. Under this Sivaganga Garden will be manned with seven adult gardeners and one boy gardener instead of with six adult and three boy gardeners. In the long run it has been found that the entertainment of small boys on insufficient salary is not productive of much good.

7. The seventh resolution relates to a very important matter. The dust bins and privies in Town are [illegible] being

in a satisfactory Condition.
The walls of several privies
and dust bins have tumbled
down and the plastering on
several of them is all gone.
Though the Council were fully
alive to the urgency of the
work even while submitting
their Budget Estimate they were
not in a position to provide
for it for want of funds. Now
fortunately, by the director
of Public Instruction in his
Proceedings of 11 September 1886.
No. 6214, having ordered the
refund of Rs 1043-6-0 by the
Managers of the S. P. G. College
they are in possession of funds
which they did not expect
to get and they think that the
Amount will be most usefully
spent in repairing the privies
and dust bins of the town lanes
as being the most important
factors in Sanitary arrangement.

I have the honor to be
Sir
Your most Obedt. St.
