Madras
October 7th 1886

To
His Excellency
The Governor in Council
Madras.

The humble petition of,
Pundi Seshingar, Head Master of the late
Srirangam Municipal Middle School, most
respectfully sheweth,

That he was appointed in July 1883 Head
Master of the Government Middle School, Srirangam
(on Rs 60 rising to Rs 80) which was subsequently
transferred to the Municipality in September of the
same year, with retrospective effect from 1st April
1883, without prejudice to pensionary claims to
such of the teachers as were then Government
servants.

That your Excellency's Petitioner now completes
more than 15 years' service in the Educational
Department and has been very successful in
the discharge of his duties, securing the school or
Class under his charge a favorable position,
year after year in the several Examinations.

That in April last some of the graduates, taking
advantage of the Government notification
dated February 4, 1886, enhancing the school
fees under Term Fee System, started on reduced
rates of fees, a high school of their own which
caused a diminution in the strength of the
Srirangam Municipal Middle School.

That the Municipal Council of Srirangam
in their Meeting held on the 10th July last, resolved
on its abolition as will be seen from the copies
of papers herewith enclosed, and
the other papers herewith enclosed.

Therefore most respectfully craves that orders may be issued to the Srirangam Municipal Council to pay him salary for another month, taking into consideration that Your Excellency's petitioner with his long and meritorious service in the Educational Department is suddenly left adrift without any provision being made for his further employment.

That Your Excellency's petitioner further solicits Your Excellency's kind perusal of the following extract from the Chairman's letter to the Inspector of the Division No 133 dated June 17, 1886.

"I beg to add that the teachers of the school have been long in the Department and rendered efficient service when the school was under Government management and after its transfer to the Municipality the Council will be glad to provide the teachers with suitable appointments, but there are none in its gift. The Council also hope that they will be provided for with suitable appointments in the Government schools."

That Your Excellency's petitioner further prays that his hopes of re-employment in the Educational Department being very limited as all Government schools with the exception of two or three have been closed, provision may be made for his re-employment in any other Department such as Registration &c &c.

For this act of kindness and charity the petitioner, shall as in duty bound ever pray for Your Excellency's long life and prosperity

No 133.

From The Chairman
Municipal Council
Srirangam

To The Inspector of Schools
6th Division

Sir, I have the honor to inform you that the attendance of boys in the Municipal Middle school, Srirangam is falling off every day since its reopening after summer vacation on account of a Town High School and a National High School having been established in the Town and in Trichinopoly respectively where lower rates of fees are levied. The present strength of the Middle School is 50 as shown in the margin but the attendance is between 25 and 30 boys. Under these circumstances the Municipal Council has at the meeting held on the 12th instant resolved that it is not desirable to maintain the Middle School any longer and that before its abolition is decided on your opinion on the subject be obtained. I request therefore that you will be good enough to favor the Council with your opinion on the point.

I beg to add that the teachers of the school have been long in the Department and rendered efficient service when the school was under Government management and after its transfer to the Municipality the Council will be glad to provide the teachers with suitable appointments but there are none in its gift. The Council also hope that they will be provided for with suitable appointments in the Government schools.

I have the honor to be

Sir,
Referring to your letter dated 17th instant

ferred to in your letter. Under these circum-
stances the Council may see fit to re-
consider their decision to close the school.
