Sir.

I have the honor to inform
you that Mr. S. Rajagopala Iyengar
M.A. Headmaster Municipal High
School Mayavaram, having been
offered the Headmastership of the
A.V. School Triplicane resigned
his appointment here and his
resignation was accepted by
the Council with regret and
reluctance.

2 As, however, the Councillors
and other respectable Gentlemen
of this Town were not willing
to part with him in consideration
of his very valuable and useful
services

Services in the Management of this institution, on Second Consideration and at the request of his friends, he wrote back his willingness to stop here provided the Council give him some encouragement. The Council in their Special Meeting of the 6th Instant reconsidered their former resolution and were glad to cancel his resignation and to give him an increase of Rs 15 for the present.

3. They have further resolved to increase the pay of S. Narayana Sanyal Esq. B.A. 1st Assistant, and A. G. Hari. Row. Esq. 2nd Assistant from Rs 60 and 50 to Rs 70 and 60 respectively, considering their long service, their attainments, the quantity of work to be done by them and the brilliant results they have been producing from year to year in all the Departmental and periodical

Examinations and in consideration of the vast difference between the Salary of the Headmaster and of his next Assistant. 3

4. It became also necessary to increase the pay of the School Writer from Rs 10 to Rs 13 as his work has of late greatly increased and as he is to be in charge of the Library from this month.

5. Venkatramier teacher of one of the 3 sections of the 2nd class and Sri Rengachariar of the Infant Class were also respectively allowed the small increase of Rupee one each. In the case of the former a pledge given him in a resolution of the Council so long ago as 25th April 1885 was inadequately redeemed and in the case of the latter the original pay of the class was restored. This teacher has besides passed the Test in School Management.

6 By this arrangement the Council hope to secure contentment among the teachers and increased efficiency of instruction.

7 The additional sum now required to meet this increased charge over the Budget allotment for the remaining 6 out of 7 months of the current official year amounts to Rs 240 and it is proposed to meet this charge from the following sources:-

(1) The income from rent paid by the Revenue Department for holding the Dalug Kutchery in a portion of the Municipal Office for 8 months beginning with 1st July 1886 at Rs 10 per mensem Rs 80.

(2) Savings effected from allowing a reduced pay to the 1st 3rd Assistant for the 1st 5th months at Rs 10 per mensem, Rs 75.

(3) Increase expected from School Fees and Salary Grant, Rs 85 and even more.

Total Rs 240
Of the above 3 items nos 1 and 2 have not been included in the original

Budget Estimates of Receipts while no 3 gives the saving effected out of the sum already provided for.

8 I have therefore the honor to request that you will be so good as to obtain the sanction of Government to the above increased salaries proposed by the Council with effect from the 6th instant in accordance with this resolution, a copy of which is herewith submitted.

I have the honor to be
Sir

Your most obedient servant

Submitted to Government with the remark that credit is taken for additional grants from Provincial funds to meet the increased expenditure, but that in view of the limited funds at the disposal of the department, no increased grant can be given at present.
