From M.R.Ry. T. K. ALAGA PILLAI, Chairman, Municipal Council, Máyavaram, to the Collector of Tanjore (through the Sub-Collector), dated Máyavaram, 24th September 1886, No. 349.

With reference to your official memorandum, No. 638, of the 17th instant, I have the honor to inform you that your memorandum, dated 4th August 1886, No. 515, was placed before the council in their meeting held on the 10th instant, when, after some discussion, it was resolved that those whose income is below Rs. 25 should be classed as poor people for the purpose of section 127 (1). The rates at which medicines are to be charged are prescribed in detail in the resolution itself.

2. I have, therefore, the honor to request that you will be so good as to obtain the sanction of Government for the same, pending which the civil apothecary has been instructed to give effect to the resolution from the date therein mentioned.

2. Lest even this small charge should press hardly in any case, Rule 1 proposes to exempt from payment all those who may attend the dispensary in person, and be willing to abide their turn for medical advice and treatment, so that every provision is made to meet the case of persons who are not in circumstances to pay even the trifling charge.

3. The Máyavaram scale is also sufficiently low to justify a recommendation in favor of its adoption. All persons on the receipt of income not exceeding 25 rupees per mensem are to receive their medicines free. For those between 25 and less than 100 rupees, the scale specified in the margin is proposed; and double those rates for those drawing more than 100 rupees.

	Pies.
For every ounce of mixture	6
„ „ powder (and pill ?)	3
„ ointment, plaster, liniment and other external medical and surgical applications	3

4. It would be well if the Máyavaram Municipality also adopt the provisions of paragraph 2 of this letter very considerately proposed by the Negapatam Municipality, to obviate possible hardship in any particular case.

Order—dated 21st October 1886, No. 1072 M., Financial.

The rules proposed by the Municipal Councils of Negapatam and Máyavaram are approved, and the attention of the latter will be drawn to the Surgeon-General's remarks in paragraph 4 of his letter.
