28TH OCTOBER 1886, No. 1092 M., FINANCIAL.

GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

READ—the following paper :—

From D. DUNCAN, Esq., M.A., D.Sc., Acting Director of Public Instruction, to the Chief Secretary to Government, dated Coonoor, 28th July 1886, No. 5167.

I have the honor to forward copy of a letter from the Inspector of Schools, 2nd Division, requesting, with reference to paragraph 2 of G.O., dated 19th March 1886, No. 256 M., Financial, that the Bellary Municipality should be called upon to state definitely and without further delay whether they intend to retain charge of the high school.

2. It will be observed from paragraph 2 of Mr. Bickle's letter, that the delay of the municipality in announcing their decision has led, and continues to lead, to an expenditure which it is hardly fair to charge on the office allowance of the Inspector. And this is not all. The books which are not to be handed over to the college might, long ere now, have been distributed to the other Government colleges.

3. I regret to have to say that this is not the only instance in which this municipality has shown an unwillingness to co-operate with this department.

4. When the high school department was transferred to the municipality, Mr. Bashyam Aiyengar was on the permanent staff of the institution as second assistant, though at the time he was acting in the Cuddalore College. When preparing the annual returns for the Accountant-General, it became necessary to obtain a certificate from the Bellary Municipality showing that Mr. Bashyam Aiyengar held a permanent appointment in the Bellary High School. The municipal council declined to give the certificate because they had not recognized him as head master.

5. When the chairman applied to me in December last on the matter of a head master to the school, I strongly recommended the second assistant, Mr. Bashyam Aiyengar, for the post. But this recommendation not having been approved of by the council, I recommended Mr. Pranatartihara Aiyar, a distinguished graduate, who was at the time head master of the Taylor High School, Narsápur. This recommendation was approved of, and the chairman requested me to order him to join soon. Mr. Pranatartihara Aiyar joined the school immediately, but the municipality now decline to pay his travelling allowance bill, on the ground that his services "were not transferred in the interest of this municipality, but to suit the convenience of the Educational Department."

6. I have therefore the honor to request that the Bellary Municipality be called upon (1) to give a final and early answer to paragraph 2 of G.O., dated 19th March 1886, No. 256 M., Financial; (2) to furnish the certificate required by the Accountant-General that Mr. Bashyam Aiyengar holds a permanent place in the high school; and (3) to pay the travelling allowance of Mr. Pranatartihara Aiyar, the present acting head master.

ENCLOSURE.

From G. BICKLE, Esq., Inspector of Schools, Second Division, to the Acting Director of Public Instruction, Madras, dated Hospet, 29th June 1886, No. 891.

I have the honor to report that, on the 27th April last, I requested the Chairman of the Bellary Municipal Council to inform me what action had been taken by the councillors on G.O., No. 256 M,, 19th March 1886, when a copy of the following resolution was sent to me: "Resolved that the matter lie over till the school-fee question is decided by Government."

2. As it would seem from the educational notification of the 1st June 1886, published in the *Fort St. George Gazette* of the 4th idem, that the settlement of the school-fee question is not likely to be immediately effected, I beg to suggest that the Bellary municipal councillors be called upon to state definitely and without further delay whether they intend to retain charge of the high school department of the late Government Bellary college, in order that the library and furniture which belonged to the latter institution may be disposed of and this office relieved of the cost of a watch peon, upon whom at the end of this month it will have expended Rs. 42—an amount which can be ill-spared.

No. 490.

Referred to the Chairman, Municipal Council, Bellary, for *early* report.

(By order.)

MADRAS,
10*th August* 1886.

(Signed) E. S. LAFFAN,
Under Secy. to Govt.

From Rao Bahadur A. SABAPATHY MUDALIAR, Chairman, Municipal Council, Bellary, to the Chief Secretary to Government, dated Bellary, 10th September 1886, No. 737.

In reply to your endorsement, No. 490, dated 10th August 1886, calling for an early report on the letter, No. 5767, dated 20th July 1886, from the Director of Public Instruction, I have the honor to state that, on the recommedation of the school sub-committee, dated 5th August 1886, as approved by the municipal council in their meeting of the 9th August 1886, I requested the Inspector of Schools of the 2nd Division, on the 12th August 1886, to hand over the portion of the library allotted for the municipal high school, together with all furniture, maps and the building of the late Government college, which has been since done.

2. As regards the remarks of the Director of Public Instruction in paragraph 4 of his letter regarding the refusal of the municipal council to issue a lien certificate to Mr. K. Bashyam Aiyengar, I beg to submit that there seems to be some misapprehension regarding the effect of the abolition of the late Government college and the high school, and the transfer of the high school department to this municipality, as contained in G.O., dated 20th May 1885, No. 112 M., Financial, and G.O., dated 29th October 1885, No. 738 M., Financial. According to the former, the Government college and the high school ceased to exist as Government institutions from 1st January 1886, whether the municipal council were prepared to take over the high school department or not. It is therein stated: "Should the municipal council desire to maintain the college and upper secondary classes, the Government will not object to their doing so, and will transfer the school buildings to them, and grant them such aid as is admissible under the rules of the Grant-in-Aid Code." The municipal council, thereupon, offered to take charge of the high school alone, on condition that the library, building and furniture were handed over to them, and the Government have accorded their sanction to this proposal in G.O., dated 29th October 1885, No. 738. The Government did not offer the management of the high school to the municipal council, in which case the establishment would have changed masters with it, nor the municipal council offered to utilize the services of the then existing staff. In December 1885, I published a notice in the Madras newspapers inviting applicants for the head master's place, and requested the Director of Public Instruction, by letter, No. 914, dated 10th December 1885, to place the services of Mr. S. Swami Aiyar, the then acting first assistant master, at the disposal of the municipal council till a competent head master was secured, but the said officer replied on 14th December 1885, No. 8287, that he could not spare Mr. S. Swami Aiyar, and offered the services of Mr. K. Bashyam Aiyengar, acting second assistant of the Cuddalore College. The municipal council declined on the 21st December 1885 to accept the latter, as he did not know Telugu. Thereupon, the Director of Public Instruction wrote to say, in his letter, dated 14th January 1886, No. 220, that "Mr. Bashyam Aiyengar, who is the second assistant of the Bellary College, and who belongs to the high school department, should be considered to have been transferred to the municipality with the high school department, as otherwise there will be a break in his service" and that "Mr. Bashyam Aiyengar being permitted to have a lien upon the appointment, till he is permanently provided for elsewhere under Government." This interpretation of the Government Order is what the municipal council were at a loss to understand, and are still under the impression that the Director of Public Instruction has misapprehended. The municipal council have been all along of opinion that the municipal high school, as started from 1st January 1886, is an institution subject to as much supervision of the Educational Department as other private schools are, with the full power of appointing such teaching staff, and fixing such pay, as they deem proper and adequate: *vide* section 39 of Act IV of 1884. Further, the permanent teachers of the late Government college and high school were, I believe, served with the usual 3 months' notice, intimating to them the abolition of their appointments by the 31st December 1885. The municipal council were therefore justified in refusing to issue a certificate to Mr. Bashyam Aiyengar to the effect that he held "a permanent appointment in the Bellary high school," which was not really the case, on 1st January 1886.

3. With reference to the remarks of the Director, in paragraph 5 of his letter under reply, regarding the refusal of the municipal council to pay the travelling allowance of Mr. Pranatarthihara Aiyar, the present acting head master, I beg to submit that the following particulars will shew that the municipal council accepted the services of Mr. Pranatarthihara Aiyar, viewing the recommendations of the Director as having been made to suit the convenience of his department. After applicants for the head mastership were invited in the newspapers, when the municipal council were on the eve of appointing a suitable man, Dr. Duncan strongly recommended, in his letter of 14th January 1886, No. 220, the present incumbent for the head mastership, on condition of Mr. Bashyam Aiyengar being permitted to have a lien upon the same, as explained in paragraph 2. Thereupon I requested the Director to inform the council what salary Mr. Pranatarthihara Aiyar would accept, intimating at the same time that they were not in a position to pay a high salary to their head master. I did not accept the condition regarding Mr. Bashyam Aiyengar's lien, as the municipal council distinctly refused to take over the services of this officer: *vide* my letter, No. 949, dated 21st December 1885.

The Director replied, in his letter, dated 16th January 1886, No. 281, that "Mr. Pranatarthihara Aiyer's salary rises from Rs. 90 to 120, and the last pay he drew from Government with increment was Rs. 114;" and the municipal council agreed to take Mr. Pranatarthihara Aiyer on a monthly salary of Rs. 114 on probation for one year: *vide* my letter, No. 1088, of 20th January 1886.

On 19th March last, the Director addressed the Government direct, recommending the payment of a monthly salary of Rs. 200 to Mr. Pranatarthihara Aiyer, fixing "Rs. 120 for the high school, and Rs. 80 as extra allowance for the supervision of other schools," meaning thereby the town middle school and the elementary schools under the inspecting schoolmaster, and stating that he was drawing, while at Narsápur, Rs. 114 from Government and Rs. 86 from the managing committee of that school. The Director was not pleased to submit this proposal for the consideration of the municipal council before addressing the Government, as they were the proper authorities under the law for fixing the salaries of their servants, subject to the sanction of Government, nor were they informed by the Director that Mr. Pranatarthihara Aiyer was drawing Rs. 200 from the Taylor High School at Narsápur, when questioned by me as to his salary. They were not even consulted as to the feasibility of amalgamating the inspecting schoolmastership of a large town like Bellary with the onerous duties of the head master of a high school. The Government have sanctioned, in their order, dated 14th May 1886, No. 450 M., the pay of the head master at Rs. 200, with effect from the date of his joining the post (8th February 1886), and the above Government Order reached me on 4th June 1886. Till then the inspecting schoolmaster was being paid the usual salary of Rs. 20 per mensem. The municipal council, on 26th June 1886, resolved upon paying the head master a monthly salary of Rs. 200 from 8th February 1886, *minus* what had been paid to the inspecting schoolmaster. The municipal council refused to grant the travelling allowance of Mr. Pranatarthihara Aiyer, on the grounds that—

(1) it was not one of the conditions of his appointment;
(2) they accepted his services on being pressed by the Director;
(3) he has been paid a monthly salary of Rs. 200 from the date of his joining the post, instead of Rs. 114, the pay originally fixed;
(4) the municipal council would have settled with him the question as to the payment of pensionary contribution, if they had been made aware in the beginning that his services were being lent to the municipality.

4. From the Director's letter of 19th March 1886, No. 1826, to Government, the municipal council observe that Mr. Pranatarthihara Aiyer's services as Government teacher were dispensed with on 15th March 1885, but he was re-employed in the Cuddalore College on a salary of Rs. 90 to 120; and before he joined this new employment, he was made to act as head master of the municipal high school on Rs. 200. He is not, therefore, entitled to travelling allowance, even according to Government rules.

5. Regarding the general remark of the Director, in paragraph 3 of his letter under reply, stating "this is not the only instance in which this municipality has shown unwillingness to co-operate with this department," the municipal council beg strongly to protest that, instead of the charge being laid at their door, the details given in this letter will satisfactorily show to His Excellency the Governor in Council that the Director, from the beginning of the transfer of the high school department to the municipality, has been unnecessarily interfering with the free exercise of their right in the selection of their servants, in fixing their pay, and in getting the work done by proper men and with due economy. The Director was of opinion that, by entrusting the duties of the inspecting schoolmaster to the head master, the elementary education of the town would be placed on a sound basis. The municipal council tried the experiment for more than a year, by appointing the head master of the middle school, a graduate of seven years' standing in the department, as an inspecting schoolmaster, but the experiment failed, as shown by the results of the middle school examination and the inspection report for the last year. It was therefore resolved upon appointing a separate man, capable of devoting his whole attention to this duty, and a provision of Rs. 240 had accordingly been made in the budget. Since the approval by Government of the Director's suggestions, Mr. Pranatarthihara Aiyer has not been discharging his duties as an inspecting schoolmaster, and he has twice written to the municipal council that he could not satisfactorily discharge the two duties together, and suggests that an assistant master be directed to help him in his duties or a separate inspecting schoolmaster be appointed. As to the former, the council cannot compel any assistant master to sacrifice his leisure hours and attend to extra work without additional remuneration being given him, and as to the latter, they cannot allot additional funds, but will be compelled to withhold from the pay of the head master the sum to be paid to a separate inspecting schoolmaster, whose sole attention and time will be required to study the various details of the new Grant-in-Aid Code, which has come into force from 1st July last, and to bring them into operation amongst the results grant schools, as well as to supervise the proper working of the same.

ABSTRACT.—Returning Director's letter, dated 20th July 1886, No. 5767.

ORDER—dated 28th October 1886, No. 1092 M., Financial.

The Government note that, since the date of the Director's letter, the high school library has been taken over by the municipal council.

2. With regard to the other matters referred to in the correspondence, the Government consider that the contentions of the municipal council are correct; that they were in no way bound to confer a permanent appointment in connection with the high school on Bashyam Aiyengar; and that the new head master, Pranatarthihara Aiyar, was not entitled to claim travelling allowance from the municipal council on first joining his appointment.

Sir,

In reference to the resolution of the Municipal Council in their meeting of the 24th July 1886, as communicated to me last Saturday, I have the honor to state that I cannot, without an assistant do the duties of Inspecting Schools, without prejudice to the working of the High School. This is the 1st year of the School's existence, and the materials I have to work with, are far from satisfactory. But two boys passed the Middle School Examination of the last year & only one of them has joined the 5th Class; and the 6th Class contains not one pupil who passed the Comparative examination of the last year. To form the Classes therefore I was obliged to recommend for [illegible] some pu[illegible] [illegible] fai[illegible] in the different examinations and the number has since been supplemented by boys, the majority of whom have been, year after year appearing for the examinations and failing

2. The [illegible] is now doubly great as there are but a few months more for the examinations; and [illegible] that might have been done in one half of the year, was unavoidably post-poned owing to want of masters. My work therefore at this part of the year is such that it far encroaches into my private hours. If therefore I should omit nothing in the improvement of the High School, I should unavoidably omit a good deal that is expected of an Inspecting Schoolmaster. Mr. Venkatarama Aiyar might have done both; but he was only in charge of a middle School, had less supervision to exercise & had not the difficulties that I have enumerated above.

3. Under these circumstances the two things cannot go together and one must sacrifice the lesser thing for the sake of the more important one, the Inspection of the elementary schools must, unless I am provided with an assistant as recommended by the Director of Public Instruction, continue to be done unsatisfactorily

Sir,

With reference to your letter of the 21st ultimo No. 949, I have the honor to state that Mr Bashiyam Aiyengar, who is the 2nd Assistant of the Bellary College, and who belongs to the High School department, should be considered to have been transferred to the Municipality, along with the School, as otherwise there will be a break in his service. For the Headmastership, I do not consider that a knowledge of Telugu is indispensable, but should the Councillors insist on it, I would recommend Mr Pranatharthahara Aiyar, B.A. trained, who has done excellent work as headmaster of the Taylor High School and Government Normal School, Narsapur, for several years, Mr

Bashiyam Aiyangar being permitted to have a lien on the appointment till he is permanently provided for elsewhere under Government. This is the best arrangement I can suggest in the interest of the Municipal High School. I request you will communicate by wire your approval of the arrangement.

FOR ORDERS.

The College Department of the Bellary College was abolished and the High School Department transferred to the local Municipal Council from the 1st of January last under G.O. 29th October 1885 No. 738 m. In taking charge of the School the Municipal Council, contended that the whole of the library which belonged to the College should also be handed over to them. To this however the Director of Public Instruction objected and on a representation from him Government referred the matter to the Council and requested them to state whether they would take over the portion of the library offered by the Director or give up the school. The Council failed to give a decided answer to this reference, but when pressed by the Inspector of Schools of the division, stated that the matter was ordered to lie over till the school fee question was decided by Government.

G.O. 19th March 1886 No 256 M.

Cho 1323 M.

On this the Director of Public Instruction again addressed Government stating that the Municipal Council should be required to give a final & early answer to the question referred to. At the same time he brought to the notice of Government that this was

80

not the only instance in which the Bellary Municipal Council have shown an unwillingness to co-operate with the Educational Department. When the School was transferred to the Council one Bashyam Aiyangar who was the permanent Second Assistant Master was acting in the Cuddalore College. The Director wanted the Council to give him a certificate required by the Accountant General to the effect that Bashyam Aiyangar had a permanent appointment in the Municipal High School. This the Council refused to give as they did not recognize him as the permanent Head Master of the High School. Again when the Chairman applied to the Director for the services of a competent man to be appointed as Head Master [illegible] letter re-

-commended one Mr. Pranatartihara Aiyar, who joined the School immediately: but the Council refuse to pay his travelling allowance on the ground that his services were not transferred in the interests of the Municipality.

The Director's letter was referred for remarks to the Chairman who reports that the library has since been taken over, but that the charges brought against the Municipality in the other two cases are unfounded. He says that when the Council took over the High School they were not bound to retain the establishment which was necessarily a costly one. The School when transferred was entirely the Council's and they were free to put in any man they liked. They were therefore not bo[illegible] ive the desired

certificate. As regards Mr. Pranatartihara Aiyar's travelling allowance, the Chairman contends that he is not entitled to it even according to Government rules as he only joined his first appointment & that this was not one of the conditions of the appointment which was in fact thrust on the Council, & the pay of the appointment was raised without the Council's knowledge & consent from Rs 114 fixed by them to Rs 200. This is borne out by the Director's letter printed in G.O. 14th May 1886 No 450 M. It is ~~the~~ therefore submitted that the Council's contention in both cases is right.

F.W.

In G.O. 20th May 1885 No 112 [illegible] offering the college to the Muni? it was decided that it should cease to exist as a Govt institution & the Muni? were offered the buildings. In G.O. 30-9-85 No 590 the latter were told that they might dispense with any of the teaching staff after 3 months. — As to Mr. Pranatartihara Aiyar, he was not a public ~~Govt.~~ servant when he joined his appointment not having then taken up the public appointment given him by the Dir. at Cuddalore

OFFICE OF THE DIRECTOR OF

No. 5167.

From
~~H. B. GRIGG~~ D. Duncan, Esq., M.A., D. Sc.,
Ag. DIRECTOR OF PUBLIC INSTRUCTION,
Madras,

To
The Honorable the Chief Secretary
to Government,
Fort St. George.

SIR,

I have the honor to forward copy of a letter from the Inspector of Schools, 2nd Division, requesting with reference to para 2 of G.O. dated 19 March 1886 No. 256 M. Financial, a that the Bellary Municipality should be called upon to state definitely and without further delay whether they intend to retain charge of the High School.

2 It will be observed from para 2 of Mr. Bickle's letter that the delay of the Municipality in announcing their decision has led and continues to lead to an expenditure which

which it is hardly fair to charge on the office allowance of the Inspector. And this is not all. The books which are not to be handed over to the College, might long ere now have been distributed to the other Government Colleges.

3. I regret to have to say that this is not the only instance in which this Municipality has shown an unwillingness to co-operate with this Department.

4. When the High School Department was transferred to the Municipality, Mr Bashyam Aiyangar was on the permanent staff of the institution as second assistant, though at the time he was acting in the Cuddalore College. When preparing the Annual returns for the Accountant General it became necessary to obtain a certificate from the Bellary Municipality showing that Mr Bashyam Aiyangar held a permanent appointment in the Bellary High School. The Municipal Council declined to give the Certificate because they had not recognized him as Head Master.

5. When the Chairman applied to me in December last on the matter of a Head Master to the School I strongly recommended the 2nd assistant Mr Bashyam Aiyangar for the post. But this recommendation not having been approved of by the Council, I recommended Mr Pranatartihara Aiyar a distinguished graduate who was at the time Head Master of the Taylor High School, Narsapur. This recommendation was approved of and the Chairman requested me to order him to join soon. Mr Pranatartihara Aiyar joined the School immediately, but the Municipality now decline to pay his travelling allowance bill on the ground that his services "were not transferred in the interest of this Municipality, but to suit the convenience of the Educational Department."

6. I have therefore the honor to request that the Bellary Municipality be called upon

upon (1) to give a final and early answer to para 2 of G.O dated 19th March 1886 No 256 M, Financial; (2) to furnish the Certificate required by the Accountant General that Mr Bashyam Aiyangar holds a permanent place in the High School; and (3) to pay the travelling allowance of Mr Pranatartihara Aiyar, the present Head Master.

Sir,

I have the honor to report that on the 27th April last, I requested the Chairman of the Bellary Municipal Council to inform me what action had been taken by the Councillors on G.O No $\frac{256 M}{19-3-86}$ when a copy of the following resolution was sent to me. "Resolved that the matter lie over till the School-fee question is decided by Government."

2 As it would seem from the Educational Notification of the 1st June 1886 published in the Fort St George Gazette of the 4th idem, that the settlement of the School fee question is not likely to be immediately effected I beg to suggest that the Bellary Municipal

Municipal Councillors be called upon to state definitely and without further delay whether they intend to retain charge of the High School department of the late Government Bellary College in order that the library and furniture &c. which belonged to the latter institution may be disposed of and this office relieved of the cost of a watch peon upon whom at the end of this month it will have expended Rs 42, an amount which can be ill-spared.

Sir,

In reply to your endorsement No 490, dated 10th August 1886, calling for an early report, on the letter No 5767 dated 20th July 1886, from the Director of Public Instruction, I have the honor to state, that on the recommendation of the School Sub Committee dated 5th August 1886, as approved by the Municipal Council, in their meeting of the 9th August 1886, I requested the Inspector of Schools of the 2nd Division, on the 12th August 1886, to hand over the portion of the Library, allotted for the Municipal High School, together with all furniture, maps and the building of the late Government College, which has been since done.

As regards the remarks of the

Director of Public Instruction, in para 4 of his letter, regarding the refusal of the Municipal Council, to issue a lieu certificate, to Mr K. Bashyam Aiyengar, I beg to submit that, there seems to be some misapprehension regarding the effect of the abolition of the late Government College and the High School, and the transfer of the High School Department to this Municipality, as contained in G. O dated 20th May 1885 No 112 M. Financial, and G. O. dated 29th October 1885 No 738 M. Financial. According to the former, the Government College and the High School ceased to exist as Government Institutions, from 1st January 1886, whether the Municipal Council were prepared to take over the High School Department or not. It is therein stated "Should the Municipal Council desire to maintain the College and Upper Secondary classes, the Government will not object to their doing so, and will transfer the School buildings to them, and grant them such i as is admissible under the rules Grant-in-aid Code". The Municipal Council, thereupon, offered to take charge of the High School alone, on condition that the Library, building and furniture, were handed over to them and the Government have accorded their sanction to this proposal in G. O. dated 29th October 1885 No 738. The Government did not offer the management of the High School to the Municipal Council, in which case the establishment, would have changed masters with it, nor the Municipal Council offered to utilize the services of the then existing staff. In December 1885, I published a notice in the Madras newspapers inviting applicants for the Head Master's place and requested the Director of Public Instruction, by letter No 914 dated 10th December 1885, to place the services of Mr S. Swami Aiyar, the then Acting 1st Assistant Master, at the disposal of the Municipal Council, till a competent Head Master was secured, but the said Officer replied on 14th December 1885, No 8287 that he could not spare Mr S. Swami Aiyar and offered the services of Mr K. Bashyam Aiyengar, Acting 2nd Assistant of the

Cuddalore College. The Municipal Council declined on the 21st December 1885, to accept the latter, as he did not know Telegu. Thereupon the Director of Public Instruction, wrote to say in his letter dated 14th January 1886 No 220, that "Mr Bashyam Aiyengar, who is the 2nd Assistant of the Bellary College, and who belongs to the High School Department, should be considered to have been transferred to the Municipality with the High School Department, as otherwise there will be a break in his service" and that "Mr Bashyam Aiyengar being permitted to have a lien upon the appointment, till he is permanently provided for, elsewhere under Government." This interpretation of the Government Order is, what the Municipal Council, were at a loss to understand, and are still under the impression, that the Director of Public Instruction, has misapprehended. The Municipal Council have been all along of

Municipal High School, as started from 1st January 1886, is an institution, subject to as much supervision of the Educational Department, as other private Schools, are, with the full power of appointing such teaching staff, and fixing such pay, as they deem proper and adequate, vide Section 39 of Act IV of 1884. Further the permanent teachers of the late Government College and High School were, I believe, served with the usual 3 months notice, intimating to them, the abolition of their appointments, by the 31st December 1885. The Municipal Council were, therefore, justified in refusing to issue a certificate, to Mr Bashyam Aiyangar, to the effect that he held a permanent appointment in the Bellary High School, which was not really the case on 1st January 1886.

3. With reference to the remarks of the Director, in para 5 of his letter under reply, regarding the refusal of the Municipal Council, to pay the travelling allowance of Mr Pranatharthihara Aiyer, the present Acting Head Master, I beg to submit, that the following particulars, will shew, that the Municipal Council, accepted the services

of Mr Pranatharthahara Aiyer, viewing
the recommendations of the Director,
as having been made to suit the convenience
of his Department. After applicants
for the Head Mastership were invited
in the newspapers, when the Municipal
Council were on the eve of appointing
a suitable man, Doctor Duncan
strongly recommended in his letter, of
14th January 1886 No 220, the present
incumbent, for the Head Mastership,
on Condition of Mr Bashyam Aiyangar
being permitted to have a lien upon
the same, as explained in para 2.
Thereupon I requested the Director, to
inform the Council, what salary Mr
Pranatharthahara Aiyer, would accept,
intimating at the same time, that
they were not in a position, to pay a
high salary, to their Head Master.
I did not accept the Condition
regarding Mr Bashyam Aiyangar's
lien, as the Municipal Council
distinctly refused to take over the

the services of this Officer, vide my
letter No 949 dated 21st December 1885.

The Director replied in his letter dated
16th January 1886 No 281, that "Mr
Pranatharthahara Aiyer's salary rises
from Rs 90 to 120 and the last pay
he drew from Government with
increment was Rs 114 " " and the
Municipal Council agreed to take
Mr Pranatharthahara Aiyer, on a
monthly salary of Rs 114 on probation
for one year vide my letter No. 1088 of 20 January
1886.

On 19th March last, the Director
addressed the Government direct,
recommending the payment, of a
monthly salary of Rs 200 to Mr
Pranatharthahara Aiyer, fixing "Rs 120
for the High School, and Rs 80 as
extra allowance, for the supervision
of other schools," meaning thereby
the Town Middle School, and
the elementary schools under the

Inspecting School Master, and stating that he was drawing, while at Nursapur Rs 114, from Government and Rs 86 from the Managing Committee of that School. The Director was not pleased to submit this proposal for the consideration of the Municipal Council, before addressing the Government ~~Council~~, as they were the proper authorities under the law, for fixing the salaries of their servants, subject to the sanction of Government, nor were they informed by the Director, that Mr Pranatharthahara Aiyer, was drawing Rs 200, from the Taylor High School at Nursapur, when questioned by me as to his salary. They were not even consulted, as to the feasibility of amalgamating the Inspecting School Mastership, of a large

town like Bellary, with the onerous duties of the Head Master of a High School. The Government have sanctioned in their Order dated 14th May 1886 No 450 M the pay of the Head Master at Rs 200 with effect from the date of his joining the post (8th February 1886) and the above G. O. reached me on 4th June 1886. Till then the Inspecting School Master was being paid the usual salary of Rs 20 per Mensem. The Municipal Council, on 26th June 1886, resolved upon paying the Head Master, a monthly salary of Rs 200, from 8th February 1886, minus what had been paid to the Inspecting School Master. The Municipal Council refused to grant the travelling allowance of Mr Pranatharthahara Aiyer, on the grounds that.

(1) it was not one of the conditions of his appointment,

(2) they accepted his services as being pressed by the Director,

(3) he has been paid a monthly salary of Rs 200 from the date of his joining the post instead of Rs 114, the pay originally fixed.

(4) the Municipal Council would

have settled with him the question as to the payment of Pensionary Contribution, if they had been made aware, in the beginning that his services were being lent to the Municipality.

4. From the Director's letter of 19th March 1886 No 1826 to Government the Municipal Council observe that Mr Pranatharthahara Aiyar's services, as Government teacher, were dispensed with, on 15th March 1885, but he was re-employed in the Cuddalore College, on a salary of Rs 90 to 120; and before he joined this new employment, he was made to act as Head Master of the Municipal High School on Rs 200. He is therefore entitled to travelling allowance even according to Government rules.

5. Regarding the general remark of the Director, in para 3 of his letter under reply, stating "this is not the only instance in which this Municipality has shewn unwillingness to cooperate with this Department", the Municipal Council beg strongly to protest that instead of the charge being laid at their door,

the details given in this letter will satisfactorily shew to His Excellency the Governor in Council, that the Director from the beginning of the transfer of the High School Department to the Municipality, has been unnecessarily interfering with the free exercise of their right, in the selection of their servants, in fixing their pay, and in getting the work done by proper men, and with due economy. The Director was of opinion, that by entrusting the duties of the Inspecting School Master, to the Head Master, the elementary education of the town would be placed on a sound basis. The Municipal Council tried the experiment for more than a year, by appointing the Head Master of the Middle School, a Graduate of 7 years' standing in the Department, as an Inspecting School Master, but the experiment failed as shewn by the results of the Middle School Examination, and the Inspection Report for the last year. It was therefore resolved upon appointing a separate man, capable of devoting his whole attention to this duty, and a provision of Rs 240 had accordingly been made in the Budget. Since the approval by Government, of the Director's Suggestion, Mr Pranatharthahara Aiyer, has not been discharging his duties as an Inspecting School Master and he has twice written to the Municipal Council, that he could not satisfactorily discharge the two duties together, and suggests that an Assistant Master be directed to help him in his duties or a separate Inspecting School Master be appointed. As to the former, the Council cannot compel any Assistant Master, to sacrifice his leisure hours, and attend to extra work without additional remuneration being given him, and as to the latter, they cannot allot additional funds but will be compelled to withhold from the pay of the Head Master, the sum to be paid to a separate Inspecting School Master, whose sole attention and time will be required to study the various details of the New Grant-in-aid Code, which has come into force from 1st July last and to bring them into operation amongst the Results Grant Schools as well as to supervise the proper working of the same.
