GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

READ—the following paper :—

From C. A. BIRD, Esq., Collector of Cuddapah, to the Acting Chief Secretary to Government, dated Cuddapah, 11th November 1885, No. 810.

In accordance with instructions conveyed in G.O., No. 930 L.F., Financial, dated 23rd October 1885, I have the honor to submit the schedule, so far as it concerns this district, showing the revenue villages to be included in the several unions and the maximum number of members for each.

2. In determining the villages to be included, I have taken into consideration distance and population as well as any special circumstances which are relevant to the matter, such as the villages being connected in interest and being easily accessible from the chief village. In no case does the distance between any one village and the chief village exceed 3 miles, and very few are so far as that apart.

3. I would suggest that the clubbing of the three revenue taluks of the Head Assistant Collector's division under one taluk board be reconsidered, and instead of the three forming one Local Fund taluk, Pulivendla be taken as one taluk and Jammalamadugu and Proddutur be clubbed as one.

4. I will submit the names of persons to be appointed as members of the taluk boards and panchayats as soon as the Government pass orders on this letter.

P.S.—I forgot to mention that I have no reason to recommend postponement of collections of house-tax in any of these unions.

FO ORDERS.

In the above letter the
Collector of Cuddapah sugges
the following modifica
in the proposals for
constitution of Taluqs
and Panchayats contai
in G.O. of 23rd October 1885
No. 930 L.F.
(1) That instead of the Taluq
of Jammalmadugu, Proddatur
and Pulivendla; which constitute
the Head Assistant Collector
Division, being made one
Local Fund Taluq, Pulivend
be taken as one Taluq and
Jammalamadugu and Proddat

other.

(2) That the number of Unions be increased from 15 to 16 by the addition of Vayalpau

(3) That a number of vi be added to each of the Unions proposed by Gov d

(4) That the maximum number of members for the several Panchayats be fixed at 7 to 12 instead of 5 as proposed by Government

2. The first two suggestions appear to be unobjectionable and may be adopted. As regards the third the Collector states that "in ter mining the villages included he has en into consideration dis tance and population as well as any special circumstances which are relevant to the matter, such as the villages being connected in interest and being easily accessible from the chief village" and that "in no case does the dis tance between ny one village and the Chief village exceed 3 miles

very few are so far a apart". There appears e therefore no objection e adoption of this proposa ell as the ffoir of th h depends apparently on number of villages in n Union.
