Enclosures 2.

FROM

L. K. Esquire

PRESIDENT DISTRICT BOARD,

KURNOOL.

TO

THE CHIEF SECRETARY TO GOVERNMENT,

LOCAL AND MUNICIPAL DEPARTMENT,

FORT SAINT GEORGE.

SIR,

The site of the present Village of Dhone in the Ramallakot Taluk of this District has been long notoriously unhealthy, the inhabitants suffering to an enormous extent from malarial fever and its sequelae.

2. The District Sanitary Officer therefore placed before the District Board propositions to ameliorate this state of things by acquiring fresh ground between the present Village and the Railway Station to which the people are eager to move.

3. A copy of resolution passed at a meeting held on the 26<sup>th</sup> ultimo is enclosed, as also a specification of the Lands required for this purpose.

4. The Board is prepared to pay compensation when there are owners and will derive no revenue

come whatever from the ground which  
all be occupied purely by houses and back-  
yards.

The Board, therefore, prays that  
Government will be pleased to make them a  
gratuitous grant of the ground and allow of their  
paying compensation

I have the honor to be  
Sir

Your Most Obedient Servant.

at a further sum of Rs 2400 be  
allowed for the Village site improvements at  
Dhone.

Resolution:— The Board are unanimous  
in considering that the health of the  
inhabitants of Dhone peremptorily calls  
for a change of village site as recommended  
by Dr King and that as much prompt-  
itude as possible is desirable in carrying  
this out to avoid human suffering. The  
Board therefore resolve to allot from Sanitary  
Savings of Nandyal a sum of Rs 1000 to be  
utilized in the present in compensation for site,  
well sinking and road making.

From the President District Board, Hurwood.

FOR ORDERS.

As to whether, under the circumstances stated, it is incumbent on the District Board to provide the land required for the extension of the village site. If so the Board may be exempted from payment of the assessment on the land in the Revenue Department with reference

I don't think it is, and I would direct the C.M. to make the usual app. to the Board of Rev. It may be possible to obtain this land by the 1 of waste land in exchange as usual. The amt. proposed to be spent is small but I don't think local board need I think that the village officer has decided to make the usual be encouraged to take upon them. Release the duty of extending village sites.

communicated with ly. O. dated  
11<sup>th</sup> May 1889 no 1053 L. In this  
connection please see the H. M's  
notes in ly. O. dated 10<sup>th</sup> December  
1889 no 2875 L.

In this case there does not seem  
to be any technical objection  
to the expenditure of local  
26/3/90 funds upon the purchase  
of a new site as the matter  
falls under § 95 (vi) of the  
L.B. Act. But if the Govt. is  
to ~~grant the~~ withdraw  
the assessment from the land  
it will be only fair <sup>that</sup> the relinquished  
site should ~~be~~ cease to be village  
site & become sub. to assess-  
ment. This is a matter for the  
Rev. Dept. however & perhaps  
the papers might be transferred  
there with the remark that  
there is no objection in the  
L. & M. Dept.

the Collector should

The Govt. is of opinion  
that <sup>providing for</sup> the extension of village
