G.O., dated 26th April 1881, No. 736, Financial.

ABSTRACT.—The proposal of the Board of Revenue that all endowed langerkhanas and native choultries be transferred to the Local Fund Boards or Municipalities in which they are situated, accepted with remarks.

Board's Proceedings, dated 31st May 1881, No. 944.

ABSTRACT.—Communicating to all Collectors, except Madras, Government order accepting Board's proposal regarding transfer of endowed langerkhanas and native choultries to Local Fund Boards.

G.O., dated 27th March 1888, No. 641 L., Local and Municipal.

ABSTRACT.—Requesting certain information regarding the transfer of Babu Rao's choultries to the Taluk Board, Tindivanam.

READ—also the following papers :—

Petitions from Jaya Rao, dated 17th July 1888 and 19th January 1889.

From H. SEWELL, Esq., President, District Board, South Arcot, to the Chief Secretary to Government, dated Cuddalore, 17th May 1889, No. 19.

With reference to G.O., 27th March 1888, Mis. No. 641 L., regarding the management of Villupuram and Vikravándi choultries, I have the honor to return herewith the petitions bearing the Assistant Secretary's endorsements, No. 709, dated 18th August 1888, and No. 170, dated 15th February 1889, and to report as follows.

2. The management of the above choultries was transferred to the Local Fund Board in July 1883, not with reference to any specific order of Government, but with reference to the general order of the Board of Revenue, dated 31st May 1881, No. 944. In his letter, dated 27th June 1883, the Collector of South Arcot (Mr. A. Cruickshank) asked the President of the Local Fund Board, with reference to the Proceedings of the Board of Revenue, dated 17th May 1882, No. 1331, to state whether they were willing to accept the task of supervising all the endowed choultries and langerkhanas in the district. The matter was laid before the Board, who thereon accepted the supervision of the institutions mentioned. A copy of the Collector's letter, as well as the Local Fund Board's resolution, is submitted.

3. After the formation of the Taluk Boards in the year 1886, the District Board did not obtain the sanction of Government to the transfer of choultries to them. But in their resolution, dated 27th March 1886, No. 3, the District Board said that the expenditure on account of choultries should be debited to the Taluk Funds. Copy of the above resolution is also submitted.

4. As regards the management of the choultries under reference, I called upon the Taluk Board of Tindivanam to state whether it was their intention to oust the family

of Babu Rao, the original grantee, from the inam lands attached to these institutions. In reply, they state that it is their intention to oust the present holders on assuming management (a copy of this resolution accompanies). I am, however, of opinion that it is desirable that a three or six months' notice should be given to the surviving eldest member of Babu Rao's family, telling him that he will be ousted from the inam lands if he fails to restore the buildings to proper order before the expiry of the term specified therein. My reason for recommending this course is that it would be hard to exclude the family without giving the eldest surviving member a chance to put the building in good repair while the inam lands have been in their enjoyment ever since they were assigned.

Order—dated 9th July 1889, No. 1575 L., Local and Municipal.

The Government is of opinion that the transfer to District Boards of the powers vested in the Board of Revenue under Regulation VII of 1817, made in the Board's Proceedings read above, was not a complete and valid transfer under section 11, Madras Act IV of 1871 (section 51, Act V of 1884), as the previous consent of the District Boards had not been obtained. And even if such transfer were valid, a District Board cannot of its own authority transfer powers vested in it under section 51 (2), Act V of 1884, to Taluk Boards.

2. Presidents of District Boards should therefore, in the case of every endowed institution transferred to the management of Local Fund Boards under Revenue Board's Proceedings, dated 31st May 1881, No. 944, take steps to obtain a formal re-transfer of management by the Board of Revenue, under section 51 (2), Act V of 1884, to the particular Local Board, whether district or taluk, under whose direct management the institution is proposed to be placed.

3. In the particular case now brought to notice, the President should take the instructions of the Board of Revenue (in whose hands by reason of the imperfect transfer of 1881 the legal control of the endowment still rests) as to the measures to be adopted under Regulation VII of 1817. He should also, as Collector, bring under the Board's notice the question of the liability of the inams to resumption.

Sir,

I have the honor to forward herewith a Copy of the Proceedings of the Board of Revenue dated 17° May 1882 No 1331 which are addressed by them to you and which were by mistake treated as addressed to the Collector. The matter requires a few words of explanation from me and I give it below.

2. In 1876 a list of the institutions governed by Regulation VII of 1817 was circulated by the Revenue Board to all Collectors with a reque that they would ascertain and report whether the Local Fund B in their districts were willing to

undertak

undertake the general supervision of all endowed Choultries and Lungrkhanas. The Local Fund Boards of the two Circles into which this District was then divided were Consulted on the Subject but they replied that they were unwilling to undertake the work. They were however at the time under an erroneous impression as to the powers and responsibilities vesting in them by virtue of the transfer of the Control contemplated, that is they believed that by the transfer, it was intended that the immediate and executive management of the institutions and their endowments would pass from their present managers to the Local Fund Board and that the latter were to be ousted, the Local Fund Board taking up their place. I have now to explain that what was meant was not this but simply that the Local Fund Board should perform in respect of those institutions the functions of Control over the present managers which were heretofore exercised by the Board of Revenue under Regulation VII of 1817

as

As if the name of such Local Fund Board had been specifically mentioned in the said Regulation instead of that of the Board of Revenue. No Cost is at present incurred by the Board of Revenue for the upkeep of any of the institutions in question as the functions imposed on them by the Regulation VII of 1817 do not require them to make any outlay from Imperial Funds on account of those institutions but only to see that the funds of the endowment are properly expended by the managers of the respective institutions. By the transfer of the Control of the institutions in question, therefore, the Local Fund Board will have no charge to incur from the Local Funds nor will it be necessary for the Local Fund Board to interfere with the management of any institution under the Regulation unless instances of gross mismanagement are brought to their notice.

3. I therefore request that you

will be good enough to ascertain the wishes of the Local Fund Board as to whether they are now disposed to accept the task of supervising these institutions as laid down in Section 11 of Act IV of 1871. Copies of the Board's Proceedings dated 17th May 1882 No. 1331 and 18th August 1881 No. 1796 are herewith forwarded. Papers as per subjoined list are also forwarded:-

To

The Right Honourable the Gover

The humble petition of Jaya

the said Bapu Rao having died
management of the choultries

of the property provided for them was in the hands of certain members of the family for some time and lastly it passed into the hands of one Rama Rao in 1873 in accorance with the — Revenue Board's ~~members~~ Proceedings, No. 3686 of 1873, which states that — the management should devolve on — the eldest surviving descendant of Bapu Rao; that the said Rama Rao kept the choultries in such a bad state of repairs and so misused the property that the petitioner, in the interests of the charity done by his father and with a view to better manage the endowment, was obliged to prefer a complaint to

the Collector in 1879, who, without properly inquiring into the matter, wrote a decision on 22d February 1882 directing the petitioner and the said Rama Rao to make a compromise of the matter; that the petitioner thereupon preferred an appeal to the Honourable the Board of Revenue, who referred the appeal to the Collector for proper inquiry and decision; that meanwhile the said Rama Rao came to terms with the petitioner whereby the property was entrusted to the petiti-
and was thus secured from being misspent, while Rama Rao was allowed to have the so called manag
ment of the chatrams from the

as

the amount that the petitioner was
giving him for the purpose, and thus
the case before the Collector ended;

2 That thus deprived of t
peal management of the charity
owing to mismanagement and m
use the said Rama Rao induce
his another brother's son, one Kris
Rao, to bring about a partition
which was instituted in the
District Munsifs' Court of Cuda
as Original Suit No. 962 of 188
and in which the petitioner was made a De
that in the said Suit the petitio

a charity endowment and consequently not liable for a division that the Plaintiff, notwithstanding, by means of fraud and force was enabled to get razeenamah from the parties, whereby a decree was passed awarding Plaintiff an eigth share of the property as compromised;

3 That the petitioner thereupon put in a petition in December 1885 to the President of the Taluq Board, Tindivanam, praying that the partition decree in the said suit passed on the razeenamah which, as stated above, was obtained

by force and fraud, and that with reference to a property not partible being a charity endowment, should be got set aside, and that the management which Rama Rao was allowed to have according to the terms of the compromise mentioned in para 1 was as miserably bad as ever and he should therefore be removed from the management; that the Board, at a meeting held an enquiry on the subject, and came to the resolution tha Rama Rao ought to be removed from the management and that the Government Pleader be consulted on the subject of the cancellation of the said decree; that the same is published in the District Gazette dated 4th October 1886;

4 That Rama Rao preferred an appeal to the Government against the resolution of the local Board; that the petitioner has submitted a petition to Government in refutation of the appeal; and that while the circumstances were such the said Rama Rao died on 7th December 1888.

5 The petitioner, therefore, prays that Your most gracious Excellency will be pleased

to dismis the said appeal of Rama Rao to set aside the razeenamah decree in the said suit, No. 962 of 1884, obtained with refrence to a charity endowment, and to appoint him, as he is the eldest surviving son of — Bapu Rao, as the manager of the charity in accordance with the Revenue Board's Proceedings, No. 3686 of 1873. He prays also to bring to Your Excellency's notice that the petitioner in the above prayers is actuated by a sense that the property so benevolently and charitably endowed by his father for public benefit should not, by the mere selfishness of its several claimants, be misappropriated.

ENCLOSURE. 6

SIR,

With reference to G.O 27th March 1888 No. 641 L (Mis:) regarding the management of Villupuram and Vickravandi Choultries, I have the honor to return herewith the petitions bearing the Assistant Secretary's Endorsements Nos $\frac{709}{18.8.88}$ and $\frac{170}{15.2.89}$ and to report as follows.

2. The management of the above Choultries was transferred to the Local Fund Board in July 1883 not with reference to any specific order of Government but with reference to the general order of the Board of Revenue dated 31st May 1881 No. 944. In his letter dated 27th June 1883 the Collector of South Arcot (Mr A. Cruickshank) asked the President of the Local

Fund Board with reference to the Proceedings of the Board of Revenue dated 17° May 1882 No 1331 to state whether they were willing to accept the task of supervising all the endowed Choultries and Cutcherkanas in the District. The matter was laid before the Board who thereon accepted the supervision of the institutions mentioned. A copy of the Collectors letter as well as the Local Fund Boards Resolution is submitted.

3. After the formation of the Taluq Boards in the year 1886 the District Board did not obtain the sanction of Government to the transfer of Choultries to them. But in their Resolution dated 27° March 1886 No 3 the District Board said that the expenditure on account of Choultries should be debited to the Taluq Funds. Copy of the above Resolution is also submitted.

4. As regard the management of the Choultries under reference I Called upon the Taluq Board of Tindivanam to state whether it was their intention to oust the family of

of Baboo Row, the original grantee
from the Inam lands attached to
these institutions. In reply they
state that it is their intention
to oust the present holders on as-
suming management. (a copy of
this resolution accompanies). I am
however of opinion that it is desira-
ble that a three or six months notice
should be given to the surviving eldest
member of Baboo Row's family
telling him that he will be ousted
from the Inam lands if he fails to
restore the buildings to proper order
before the expiry of the term specified
therein. My reason for recommending
this Course is that it would be hard
to exclude the family without giving
the eldest surviving member a chance
to put the building in good repair
while the Inam lands have been in
their enjoyment ever since they were
assigned.

It should be pointed out to the Presᵗ that the transfer of the powers of supervision vested in the Rev. Board by Regⁿ VII of 1817 to the Dist Board was incomplete & invalid & that even if it had been valid, the Dist Board could not transfer the powers to the taluk boards. In the case of all the choultries included in the proceedings of 1881 1883 the President Dᵗ Board should now take steps to get the powers of the Rev. Bᵈ which still subsist owing to the imperfection of the proceedings of 1881 1883 transferred to the taluk boards concerned.

In regard to this particular case the Collector should take the instructions of the Board of Revenue as to the measures to be adopted under Regⁿ VII of 1817. I believe that the Board's orders under that Regⁿ can only be enforced by suit, & that they have no power to oust the family in a summary manner. The question of the liability of the manam to resumption should be brought under the Bd's notice by the Pres. in his capaci
