The President District Board,
Madurai.

Honored Sir,

With reference to your letter
no 857 dated 24th June 1890, I beg to state
that the observatory ground referred
to therein is now in the possession
of the Medical Department and the
plot of land adjoining the College
compound and measuring 63 cents,
was originally acquired for the
Railway Department, but afterwards
given up by that Department. It is
now Government waste. I hear
that this plot of ground was
some time ago assigned by the
Collector to the Educational
Department, but there is nothing
in my Saluk records to show it.

I beg to remain
Yr. V. Sirkamiah
Sahildar.
