PROCEEDINGS OF THE BOARD OF REVENUE
(LAND REVENUE).

THE HON. J. GROSE, M.A.

READ—the following G.O., dated 9th July 1889, No. 1575 L., Local and Municipal :—

Read—again the following papers :—

G.O., dated 26th April 1881, No. 736, Financial.

ABSTRACT.—The proposal of the Board of Revenue that all endowed langerkhanas and native choultries be transferred to the Local Fund Boards or Municipalities in which they are situated, accepted with remarks.

Board's Proceedings, dated 31st May 1881, No. 944.

ABSTRACT.—Communicating to all Collectors, except Madras, Government order accepting Board's proposal regarding transfer of endowed langerkhanas and native choultries to Local Fund Boards.

G.O., dated 27th March 1888, No. 641 L., Local and Municipal.

ABSTRACT.—Requesting certain information regarding the transfer of Babu Rao's choultries to the Taluk Board, Tindiyanam.

Read—also the following papers :—

Petitions from Jaya Rao, dated 17th July 1888 and 19th January 1889.

From H. SEWELL, Esq., President, District Board, South Arcot, to the Chief Secretary to Government, dated Cuddalore, 17th May 1889, No. 19.

With reference to G.O., 27th March 1888, No. 641 L., regarding the management of Villupuram and Vikravandi choultries, I have the honor to return herewith the petitions bearing the Assistant Secretary's endorsements, No. 709, dated 18th August 1888, and No. 170, dated 15th February 1889, and to report as follows.

2. The management of the above choultries was transferred to the Local Fund Board in July 1883, not with reference to any specific order of Government, but with reference to the general order of the Board of Revenue, dated 31st May 1881, No. 944. In his letter, dated 27th June 1883, the Collector of South Arcot (Mr. A. Cruickshank) asked the President of the Local Fund Board, with reference to the Proceedings of the Board of Revenue, dated 17th May 1882, No. 1331, to state whether they were willing to accept the task of supervising all the endowed choultries and langerkhanas in the district. The matter was laid before the Board, who thereon accepted the supervision of the institutions mentioned. A copy of the Collector's letter, as well as the Local Fund Board's resolution, is submitted.

3. After the formation of the Taluk Boards in the year 1886, the District Board did not obtain the sanction of Government to the transfer of choultries to them. But in their resolution, dated 27th March 1886, No. 3, the District Board said that the expenditure on account of choultries should be debited to the Taluk Funds. Copy of the above resolution is also submitted.

4. As regards the management of the choultries under reference, I called upon the Taluk Board of Tindivanam to state whether it was their intention to oust the family of Babu Rao, the original grantee, from the inam lands attached to these institutions. In reply, they state that it is their intention to oust the present holders on assuming management (a copy of this resolution accompanies). I am, however, of opinion that it is desirable that a three or six months' notice should be given to the surviving eldest member of Babu Rao's family, telling him that he will be ousted from the inam lands if he fails to restore the buildings to proper order before the expiry of the term specified therein. My reason for recommending this course is that it would be hard to exclude the family without giving the eldest surviving member a chance to put the building in good repair while the inam lands have been in their enjoyment ever since they were assigned.

Order—dated 9th July 1889, No. 1575 L., Local and Municipal.

The Government is of opinion that the transfer to District Boards of the powers vested in the Board of Revenue under Regulation VII of 1817, made in the Board's Proceedings read above, was not a complete and valid transfer under section 11, Madras Act IV of 1871 (section 51, Act V of 1884), as the previous consent of the District Boards had not been obtained. And even if such transfer were valid, a District Board cannot of its own authority transfer powers vested in it under section 51 (2), Act V of 1884, to Taluk Boards.

2. Presidents of District Boards should therefore, in the case of every endowed institution transferred to the management of Local Fund Boards under Revenue Board's Proceedings, dated 31st May 1881, No. 944, take steps to obtain a formal re-transfer of management by the Board of Revenue, under section 51 (2), Act V of 1884, to the particular Local Board, whether district or taluk, under whose direct management the institution is proposed to be placed.

3. In the particular case now brought to notice, the President should take the instructions of the Board of Revenue (in whose hands by reason of the imperfect transfer of 1881 the legal control of the endowment still rests) as to the measures to be adopted under Regulation VII of 1817. He should also, as Collector, bring under the Board's notice the question of the liability of the inams to resumption.
