To,

The Chief Secretary to Government
Local & Municipal Dept.
Madras

Sir,

I have the honor to state that at
a meeting of the District Board held
on the 30th ultimo, it was resolved
that Government be asked to transfer
to the District Board the section of
the P. between Ootacamund and
S. present in charge of the
Public Works Department.

2. The Resolution was based upon the
following grounds:

(1) The Public Works Division in this
District has been recently abolished
and the District is now simply a
Sub-Division attached to Coimbatore.
Under these circumstances it is
considered that the road would be
best maintained by the District.

communication between the plateau
portion of the district and the Wynad
and thus is a connecting link that
would form an appropriate and
convenient District Charge.

Previous to the formation of the
Public Works Division now abolished
the whole of the Kullar Gudalur Road
was under the District Board, and
the greater portion of the improve-
ments and metalling of the Gudalur
Section was carried out before its
transfer to the Public Works Department.
This transfer was effected in April
1885 under the orders of Government
as contained in G.O. dated May 1 1203
1884, No 1025.
