GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

READ—the following paper :—

From M. R. WELD, Esq., President, District Board, Kistna, to the Acting Chief Secretary to Government, dated Masulipatam, 21st January 1886, No. 1479.

In continuation of my letter, No. 1073 dated the 13th November 1885, and with reference to G.O., No. 1183, dated the 9th December 1885, I have the honor to report that I have consulted the Divisional officers and the District Board, and to state their views as follow :—

2. The Temporary Deputy Collector and the General Deputy Collector think that the levy of house-tax should be postponed in all the unions for the present. The Head Assistant Collector agreeing with them would make an exception in the case of the large unions of Bezváda and Jaggayapet. The Sub-Collector's reply has not yet been received and his opinion will be communicated after receipt.

3. The District Board are at one with me in thinking that the tax should be imposed at half the rates mentioned in schedule A of the Local Fund Act in Bezváda and Jaggayapet, and at quarter of these rates in the Chirala *cum* Perala union, the populations of which are given in the margin. Chirala and Perala are only a mile apart and form one town; so I propose to unite them instead of making each a union as proposed in my former statement. The reason of the lower rate proposed here is that the weavers who form the bulk of the population are now in distress through the decline of their industry since the removal of the duties on English fabrics. A copy of the District Board's resolution accompanies this letter.

Jaggayapet		10,072
Bezváda		9,336
Chirala	9,061	13,482
Perala	4,421	

4. I would urge that all the villages enumerated in the statement specified above be declared unions independent of the consideration whether the union pays the house-tax or not. I do not propose to add small outlying villages to the unions for the present at least, but to start operations in the larger villages, and then gradually to add outliers within a radius of five miles should it seem expedient to do so, as the expediency arises.

ENCLOSURE.

PROCEEDINGS of the District Board, Kistna, passed at a meeting held at Masulipatam on Saturday, the 9th January 1886.

25. Read G.O., dated 9th December 1885, No. 1183 L.F., ordering the notification to be published in the *Fort St. George Gazette*, relative to the constitution of Taluk Boards, and requesting the President to consult the District Board as well as Divisional officers regarding the advisability of levying the house-tax and to submit their views with his own to Government.

Resolution.—The Board consider that house-tax may be levied at once in the three large unions of (1) Jaggayapet, (2) Bezváda, and (3) Chirala-Perala; at half-rates in first and second, and at quarter rates in third.
