Sir,

CURRENT No. 29981

I have the honor to inform you that the
 Hospital at Carabettai has since 1886 been
 partly maintained by the Government contri-
 -bution of Rs 2000/- from Langarkhana fund
 and partly from the funds at the disposal of the
 Taluk Board, the Arab American Mission paying
 only the difference between the pay of an Apothecary
 and a 1st class Hospital Assistant for the last 5 years

Rs 731 L
 29.4.98

2. The Rev. Dr. A. R. Scudder, in charge of the
 Hospital, has now announced his willingness to
 finance the Hospital entirely on behalf of the Mission
 with the help only of the Langarkhana contribution for
 the management being entirely in the hands of the
 Mission. That is to say, he has agreed to dispense
 all assistance from the Taluk Board.

ie the sum Rs 2000/-
 annually contributed from
 the Arab American Mission
 to the Langarkhana fund
 for the maintenance of the
 Carabettai Hospital.

3. The Taluk Board in consequence passed the following

17/11/98
 12
 13/11/98

resolution in its meeting dated 15th September 89.
 The Taluk Board recognises that the management of the Hospital is with the Mission; the Board notes with pleasure the promise of the Rev. Dr. A. R. Scudder to finance the Hospital with the help only of the Langarkhana contribution.

"With regard to the Contribution the Board reserves the right if the Langarkhana Contribution is granted for medical purposes to the Board by Government, of withdrawing the grant at any time if the Board is of opinion that the management by the Mission does not satisfy the requirement of the Public."

With regards to the last para of the resolution, this was added because it was not clear from the papers forthcoming whether the Langarkhana Contribution was granted by Government to the Taluk Board for medical purposes generally, or by Government to the Hospital Hospital.

It appears from G.O. No. 1067 dated 10th May 87 that the grant is made by Government to the Hospital Hospital, the Taluk Board having no control over the contribution. If that is so the last para of the said resolution will have no effect.

I have the honor to request sanction to accept the proposal of Dr. Scudder to finance the Hospital with the aid of the Langarkhana Contribution.

Flag O

It seems that the Langarkhana fund is received by the Taluk Board as hitherto & then formally paid over to the Mission as a contribution. So that the Board have a hold on the Mission.

I do

In anticipation of sanction, I have written to Dr. Scudder accepting his proposal and intimating that the Taluk Board will no longer be liable for any of the expenses of the Hospital.

I have the honor to be,
 Sir,
 Your most obedient servant,
 M. M. M.
 President.

[In 1859, the Govt sanctioned an assignment of Rs 2316 from Longakham fund for dispensary at Arcot. The dispensary was subsequently transferred from Arcot to Ranipet which is about two miles from Arcot. The assignment was fixed at Rs 2065-15-0 in 1867. The institution having been transferred to the Local Fund Board in 1872 this amount is now contributed to the District Board Ranipet.
