Sir

Adverting to your reference on Government received no $\frac{263}{91}$ dated 11th Inst calling for explanation for delay in replying to Government Endorsement No $\frac{979}{18.11.90}$ I have the honor to state that on receipt of the above, an order dated 9th December 1890 was issued to the Deputy Tahsildar of Mannargudi to report if it was desirable to include the whole of the village of Kappanpale in the proposed union at Mannargudi instead of only a portion thereof. A reply was submitted with the Deputy Tahsildar's arzi no $\frac{80}{18.12.90}$ which reached this office on the 22nd idem. Although I had remarked on the arzi that the matter had been pending very long still after the commencement of the Christmas holidays no action was taken on this paper by the then Taluq Board Clerk Bujanga Rao who stayed in the office till April or by his successor who was somewhat new to his work and who left the office towards the end of May. The explanation taken from Bujanga Rao who is at present the Head Gumastah of the Chidambaram Taluq for the delay is herewith submitted.

2. The matter was brought to my notice at the beginning of June when it was directed to be placed before the Taluq Board. In their resolution dated 26th June the Board resolved to exclude the Komaravalli street from the proposed union at Mannargudi and at the same time to submit proposals for constituting the Thittagudi and Vaishtapuram villages into an union vide copy of resolution No 28/26.6.91 already submitted with my letter No 241/9.10.91. This resolution necessitated a reference to the Deputy Tahsildar of Tittagudi for particulars with regard to the points prescribed in Government memo dated 6th June 1890. The Deputy Tahsildar's complete reply was received on the 6th August, and the Tahsildars who had submitted their figures for population with reference to the Census of 1881 were requested to give the figures of the last Census. Their replies were received in this office on the 23rd September and a letter giving all the items of information called for by Government was despatched from this office on the 9th October.

3) I regret that owing to the intervention of the Christmas holidays, the fact that the paper was pending was lost sight of by me for some time until I casually asked the Clerk to tell me what had become of it. It was then that he brought it to my notice and as some additional information had to be obtained, it took some more time to submit the report in full. The explanation given by the clerk is not satisfactory but as I have found him generally attentive to his work I beg to suggest that he may be warned on the present occasion. I have always been endeavouring to dispose of papers promptly and I therefore regret all the more for the excessive delay that has taken place in the present instance for which I beg to be excused.

4) Papers as per margin are herewith sent.

I have the honor to be,

Sir,

Your most obedient Servant

President.
