- (2) Consolidated revised estimate for 1892-93.
- (3) List showing the budget grants with subsequent additions and deductions.
- (4) List showing fixed establishments.
- (5) Map of the district.

ESTIMATE FOR 1892-93.

2. The year opened with a balance of Rs. 21,956, excluding Rs. 620 under debt heads, against the estimate of Rs. 61,800. The large fall was due, as has been explained in my Administration report for 1891-92 (*vide* G.O., No. 2288 L., dated 5th October 1892), to the expenditure on relief works, and the postponement of kists in G.O.s, dated 17th December 1891 and 23rd December 1891, Nos. 1204 and 1205. Rs. 38,830 allotted from the District to the current year are now estimated at total charges at Rs. 4,03,420 against Rs. 4,03,420 to close with a balance of Rs. 41,734, which Rs. 20,809 under General Taluk and Rs. 25,699 under Union and Endowment funds. The transactions of the Local Boards are summarized as follows:—

Local Boards.	Opening balance.	Receipts.	Total.	Expenditure.	Balance.
	RS.	RS.	RS.	RS.	RS.
Salem District Board	38,830	2,36,150	2,74,980	2,74,980	— 3,770

Net allotment from District to Taluk funds	— 21,956	38,830	16,874	—	740

Note.—The transactions of Union and Endowment fund are included in the above.

The principal variations between the budget and revised estimates are as follows:—

(1) Receipts—Cess on Land.—The income under this head is estimated at Rs. 2,66,840 against Rs. 1,70,560 in the budget. The increase is mainly owing to the collection in this year of the postponed kists of last year.

(2) *House-tax*.—The increase under this head is chiefly due to the formation of some new Unions since the submission of the budget under G.Os., No. 3118 L., dated 15th December 1891 and No. 1519 L., dated 1st July 1892.

(3) *Avenues*.—The decrease under this head is due to the low rental fetched, owing to unfavorable season. It could have been much greater but for the large balances at the close of last year which remained to be collected in the current year.

(4) *Expenditure—Grants—New Works—Communications*.—The large increase is owing to famine works conducted on the following roads:—

- (1) Diversion of the Sunkagiri Adappadi road, about Rs. 7,000.
- (2) MacDonald's choultry to Edappadi via Konganapuram, about Rs. 18,000.
- (3) Pallipalayam-Kauveri Railway station to Kabilamalai via Solasiramani, about Rs. 3,000.
- (4) Feeder-road to Sunkagiri Railway station from the 2nd mile of Sunkagiri-Komarapalayam road, about Rs. 19,000.

(5) *New Works—Miscellaneous Public Improvements*.—Owing to want of timely rains, and partly owing to inaction on the part of the Engineering Department, there has been little or no work done under this head. In the month of November, an expenditure of Rs. 795 has been brought on the accounts. Hence a decrease of Rs. 2,500 is expected.

(6) *Repairs—Communications*.—Considering the progress of work until now, viz., 28 per cent. during the first six months and 43 per cent. during the first eight months, and owing to the check which must now be imposed in all possible cases on expenditure, not more than 86 per cent. of the allotment is expected to be used up this year, the percentage during the last two years having been 84.8 and 86.4. A famine expenditure of Rs. 14,000 is included under this head.

(7) *Repairs—Civil Buildings*.—Considering the progress of works in the past, and the special cause already alluded to, only 80 per cent. of the allotment is expected to be spent this year. About 40 per cent. was spent until the end of the month.

(8) *Repairs—Miscellaneous Public*.—Between 80 and 90 per cent. is expected within the year.

(9) *Contribution from Provincial*.—The sum of Rs. 49,572 on famine-relief works contributed by Government (vide G.O., No. 1191, Financial, dated 3rd November 1892, communicated in G.O., No. 2713 L., dated 18th November 1892) and an additional contribution of Rs. 15,920 has been applied for in my letter, No. 3237, L.F., dated 20th December 1892. During the current year, Rs. 1,500 on famine-relief works and Rs. 1,500 on famine establishments have been expended. The normal value of work turned out by famine labour until now being estimated at 62 per cent. of the outlay, the contribution due by Government has been calculated at 38 per cent. This item and the sum of Rs. 15,920 due on account of last year make in round figure Rs. 39,000, which has been entered in the revised estimate. The other variations between the budget and the revised estimates which are unimportant are explained in Statement No. IX.

BUDGET FOR 1893-94.

3. The closing balance of the revised estimate for the current year, viz., Rs. 44,734, of which Rs. 23,330 relate to Endowments and Rs. 4,219 to Unions, has been brought forward as the opening balance for 1893-94 in the budget.

4. *Receipts—Rates and Taxes—Cess on Lands*.—The receipts from cess on land are estimated at Rs. 1,71,530 against Rs. 1,70,560 budgeted for in the current year.

According to the demand statement and balance statement appended to the budget, the estimated income for the current year is Rs. 79.8 per cent. of the demand against 79.8 per cent. The increase is due to a low estimate, having been made with reference to the prospects of the season.

The income from tolls is estimated at Rs. 36,620 against Rs. 37,220 in the budget, and Rs. 36,020 in the revised estimate of the current year. Of this sum Rs. 33,500 are expected from the 15 toll-gates of the District Board; Rs. 20 are estimated to be realized, as interest, and Rs. 3,100 are entered on account of contributions from the Municipal Councils of Salem, Tirupatūr and Vaniyambādi, being one-fourth of their toll-revenue, payable as usual for through traffic tolled by them. The estimates for the next year are nearly the same as the demand for the current year which is entered in the revised estimate, except that an additional Rs. 500 are expected from the Talavasal toll-gate sanctioned in G.O., No. 1861 L., dated 15th August 1892, which was not in existence during the first five months of the current year. The question of the toll contribution from the Salem Municipal Council, proposed to be withheld by that body, remains undisposed of, the Council not having yet replied to my memorandum on the subject. After five reminders, the Chairman has promised to let me know the resolution of the Council this month.

6. *House-tax*.—Rupees 20,720 are entered as the income under this head against Rs. 17,680 entered in the current year's budget. The increase is mostly due to the formation of ten new Unions, under G.Os., No. 3118 L., dated 15th December 1891 and No. 1519 L., dated 1st July 1892, nine Unions being under the Salem Taluk Board and one under the Námakal Taluk Board.

7. *Education*.—The receipts for education are calculated at Rs. 22,200. They comprise (1) school-fees amounting to Rs. 21,130, (2) sale of books, Rs. 1,000 and (3) Miscellaneous, Rs. 70, being chiefly sale-proceeds of articles manufactured by the carpentry class at Námakal, and income from leasing out the compound of the Hosūr High school. The contribution from the Tirupatūr and Vaniyambādi Municipal Councils towards the pay of the Inspecting Schoolmaster, Tirupatūr taluk, has been entered with reference to G.O., No. 1030 L., dated 5th May 1892.

The sum of Rs. 650 under school-fees is due chiefly to the reduction of the High school to the Lower Secondary grade as per G.O., No. 1285 L., dated 1st May 1892.

8. *Medicines*.—The realizations on account of medicines sold from the Yercaud District Board's "Reserve depot" kept at the District Medical office, are estimated at Rs. 800 against Rs. 640 in the current year's budget, increase expected with reference to the actuals of the current year from both the depot.

9. *Income from endowments*.—The sum of Rs. 43,000 is entered against "Income from endowments," which is entered against "Income from endowments."

10. *Interest*.—The current year's figures are repeated under this head. The sum of Rs. 2,360, shown against "Interest on Government securities," is made up of (1) on the sum of Rs. 5,500 invested on behalf of the Local Fund hospital at Salem, Rs. 1,000, (2) on the Free Vaccination fund of Rs. 10,700 and (3) on the Surplus Pagoda fund of Rs. 43,000. The interest on arrears of land-cess alone are entered under this head, interest on other items of revenue being shown under a sub-head immediately below the items concerned, agreeably to the instructions laid down in G.O., No. 2794 L., dated 6th November 1891.

11. The receipts under Miscellaneous are estimated at Rs. 69,035 against Rs. 69,350 in the current year's budget, the decrease amounting to Rs. 315. The principal variations are explained below:—

(1) *Choultry rents*.—The income of Rs. 395 shown against this item shows an advance of Rs. 45 on the current year's budget estimate. The increase is that expected from the inam lands attached to the Mohanur chattram, with reference to the current year's actuals.

(2) *Market rents.*—The Board Taluk Board proposals to levy fees in the markets of Dharmapuri and Sholapur have already been sanctioned in G.O. No. 1016 L., dated 3rd May 1892, and G.O. No. 179 P.L., dated 9th August 1892. The Salem Taluk Board have now resolved to introduce the fee-system in the markets of (1) Namagiripet, (2) Mallur, (3) Mechéri and (4) M. V. N. Palaiyatched, 1st April next. Separate application will be made seeking sanction in the manner prescribed by Rule 65 of the Local Fund rules. The fees exacted from these six markets, and those in which the fee-system is already in force, are Rs. 11,960 against Rs. 9,560 in the budget of the current year.

(3) *Bungalow fees.*—The increase of Rs. 110 budgeted under this head is based on the current year's actuals.

(4) *Fees and fines.*—The increased estimate is distributed over all the Taluk Boards and Unions, and is expected from a more vigorous administration of the Towns Nuisances Act, due to increased attention paid to sanitation.

(5) *Ferry rents.*—The increase budgeted is expected under the Salem and Hosur Taluk Boards with reference to the current year's sales and the anticipated increase.

(6) *Fishery rents.*—The slight increase shown under this head is expected under the Tirupatūr Taluk Board.

(7) *Avenues.*—The decrease under this head is mostly expected under the Taluk Board of Tirupatūr and the District Board, with reference to the current year's figures. Several contractors in the Tirupatūr Local Fund taluk, of both Taluk and District Board roads, fell into arrears and suits have been filed against them. This fact, which is probably due to serious losses owing to bad season last year, will tend to keep down the sales in that taluk.

(8) *Sundry receipts.*—The slight increase based on the current year's actuals under this fluctuating item calls for no special remark.

11. *Contribution from Provincial for Education—Schools.*—Rupees 11,870 are taken credit for under this head against Rs. 11,190 in the current year. The slight increase is chiefly expected under Primary schools on account of results grants.

Buildings.—The contribution under this head is calculated with the amounts due for the current year promised by the Director of Public Instruction at the beginning of next year, estimated at Rs. 450, and (2) one-third of the (Rs. 1,700) proposed to be spent during the budget year on repairs to school buildings, viz., Rs. 560.

For Choultries.—The usual allowance of Rs. 1,750 for the Thoppur chattram funds, utilized for maintaining chattrams at Thoppur, Suramangalam, Mōrappūr and Jalārpēt, is budgeted for here.

12. The total receipts, excluding allotments from District to Taluk funds, amount to Rs. 3,38,495, which, with the opening balance, amount to Rs. 3,83,505 as follows:—

Salem District Board	Rs. 1,40,735.4
Salem Taluk Board	38,950
Namakal do.	77,779
Hosur do.	85,050
Tirupatūr do.	30,000
Total	Rs. 3,83,505

13. *Expenditure—Original Works—Civil Buildings.*—The Hosur Taluk Board have resolved to build a chattram at Dharmapuri out of the large balances of the Thoppur chattram fund. The Tirupatūr Taluk Board have proposed to construct two chattrams, providing accommodation for all classes, at a cost of Rs. 6,600 out of the portion of the Thoppur chattram fund made available for the Mōrappūr and Jalārpēt chattrams. Only Rs. 6,000 have been provided owing to want of funds, the small balance left being met from the next year's income.

Discretionary Expenditure.—Rupees 2,900 have been allotted for the repair of shade and flooring under improvements in markets. No work has been proposed owing to want of funds.

Communications.—Rupees 1,22,570 are provided for repairs against the increase is chiefly due to the correct distances, as reported by the Board, entered against several roads and to two Railway feeder-roads, and Pachur station roads, having been newly brought on the line. As the rate has not been increased at all owing to want of funds, it is proposed to get important roads, found to be in a bad condition, repaired from estimates sanctioned from savings or the reserve when available. The sum of Rs. 1,22,570 includes Rs. 1,000 for Town roads, Rs. 2,750 for Union roads, Rs. 2,650 for Union roads, Rs. 7,500 have been provided from market funds for the maintenance of the following feeder-roads:—

The amount proposed to be spent from Market funds on the repair of the above roads has been fixed at half of the maintenance grant as ordered in G.O. No. 965 L., dated 21st May 1888, but is not to exceed the figure noted against each. No proportion of the maintenance allotment of these market feeder-roads was, till now, ordinarily charged to markets; and this measure has largely been adopted in the budget chiefly owing to want of funds under General Local Fund revenues and partly to large accu-

regulated balances under markets. It is requested, therefore, that, as a special case in the next year only, the rule that the market (2) of the allotment on account of the market roads should not exceed one-fourth of the annual surplus of 1892 revenues, may be relaxed. If this is not done, General Local Funds, which are greatly reduced by unexpected famine expenditure during the current year, will be removed from the list. Steps will be taken to draw much less on the same in future years.

16. *Civil Buildings*.—The allotment of Rs. 5,100 under this head is distributed as under:—

(1) Petty repairs to school buildings	1,200
(2) Do. hospitals and dispensaries	50
(3) (a) Repairs to Suramangalam chattram	6
(b) Petty repairs to chattrams	1,350
(4) Petty repairs to bungalows	1,350

19. *Tools and Plant*.—The current year's provision, viz., Rs. 1,150, has been repeated.

20. *Contingencies*.—The details under this head are estimated as follows:—

To the Engineer	1,300

It is seen that no changes have been made under this head.

The total of votes under Grant I amount to Rs. 1,79,430, of which Rs. 30,583 are available to Union and Endowment funds.

22. *Grant II—Education—Inspection*.—Rupees 4,950 are allotted for the pay, travelling allowance and contingencies of the Inspecting Schoolmasters as detailed below:—

This provision has been made in accordance with the recommendations of the Assistant Inspector of Schools. The proposal is to hold six Sessional Schools, two at a time, for three months each, each school being attended by ten students.

As usual, provision has been made for sending two Muhammadan teachers for training at Madras.

24. *Secondary Schools on the Salary System*.—The Namakal Taluk Board has resolved to raise the pay of the Head-master, First Assistant and Sanskrit teacher of the Namakal High School from Rs. 75, 60 and 16 to Rs. 90 65, and 17½. It has also resolved to grant a personal allowance of Rs. 7 to the sixth assistant, who has been transferred from the Head-mastership of the Shendamangalam school, carrying Rs. 30 per mensem, to the Namakal High school on Rs. 18, at the instance of the Educational authorities who wanted a better qualified man for Shendamangalam. This personal allowance will be dropped as soon as he is provided with a suitable appointment in that school or elsewhere. The pay of the scavenger to this school has also been raised by Rs. 3. As this High school is self-supporting, these proposals have been included in the budget. The Hosur Taluk Board has proposed to entertain a Hindu teacher on Rs. 10, rising to Rs. 15, in the Krishnagiri Lower Secondary school, as there is a large Muhammadan population in that town. A scavenger on Rs. 8 for the Krishnagiri Lower Secondary school has also been provided for. Necessary provisions have been made for the annual increments which will fall due.

The variations between the current and next year's budgets under "Salaries of teachers" and "Clerks and servants" are explained by the above, and by the entertainment (1) of additional teachers on Rs. 30 and Rs. 12 in the Tiruchengode and

Namakal H. schools under G.O. Mis. No. 1594 dated 31st August 1892, and No. 2606 L., dated 10th November 1892, as of a night-washer in school, Rs. 2½ and 7½. 2 for to Krishnand (school, sanctioned on 31st May 1892, and the reduction of the Krishnagiri H. of 189L., to the Lower Secondary grade under the same Government Order.

25. *Secondary Schools on the Salary Result System.*—The Salem Taluk has provided for a scavenger for the Ravi school. A scavenger for the Sherdamangalam school has already been sanctioned. G.O., Mis. No. 2101 L., dated 15th September 1892.

26. *Primary Schools on the Salary Result System.*—An additional teacher for the school at Sunkari has been provided for owing to increase in strength.

27. *Primary Schools on the Salary Result System.*—The total provision under the Taluk head is Rs. 40,680 against Rs. 38,990. The additions and alterations in the establishment are as follows:—

Salem Taluk Board.—An additional teacher for the school at Narasingapuram on Rs. 5.

Tirupatúr Taluk Board.—(1) An additional teacher on Rs. 5 for the Harur school.

(2) A new Pariah school at Alangayam, with a teacher on Rs. 7-5-4. Further increases proposed under this head could not be sanctioned owing to want of funds.

28. *Grants-in-Aid—Results Grants.*—Rupees 6,400 are allotted for results grants against Rs. 5,600 in the current year. Maximum rates will be allowed for all Lower Primary standards.

The total disbursements for education under Grant II amount to Rs. 74,500 against Rs. 74,110 in the current year's budget and including Rs. 2,700 provided for repairs to school buildings, the total amount for educational purposes is Rs. 77,210. The total receipts for educational purposes are estimated as follows:

	RS.
Land revenue	28,585
House tax	21,130
Salaries	1,000
Grants-in-Aid	12,880
Other receipts	70
Total	63,665

The Taluk Boards of Salem, Namakal and Tirupatúr proposed to entertain Circle Gymnastic Instructors, but the proposal had to be disallowed for want of funds.

30. *Grant III—Medical—Hospitals and Dispensaries.*—Rupees 16,360 are provided for Medical subordinates against Rs. 14,320 in the current year, the increase being due to—

(1) Increase of pay earned by the Hospital Assistants of Yercaud and Omalur from 1st July 1892, and that will be earned by the subordinate at Tiruchengód from 1st July 1893.

(2) Increase of pay to the Hospital Assistant of Rayacottah already earned, but provided for 12 months against 6 months in the current year.

(3) Provision of three female Apothecaries trained out of contribution to the Countess of Dufferin's fund, two for the whole year and one for eight months, from 1st July, when she is expected to join the district.

Clerks and Servants.—The provision under this head amounts to Rs. 3,430 against Rs. 3,400, the increase being due to the increase of pay expected to be earned by the Compounder at the Dharmapuri hospital.

Supplies.—An increase of Rs. 100 has been made with reference to the actuals for the current year.

Medical Practitioners.—It has not been possible to get proper men as Probationary pounders; so no provision is made under this head.

Cholera Charges.—Provision has been made with reference to the current year's charges on all Taluk Boards.

Medical Periodicals.—The sum of Rs. 50 entered against this head, represents the cost of a copy of *Lancet*, *The Indian Medical Gazette* and the *Braithwaite's Retrospect of Medicine*, which are circulated among the Medical subordinates. The slight variations under other sub-heads are made with reference to requirements, and call for no remark.

31. *Vaccination.*—The total charges in connection with vaccination are estimated at Rs. 10,440, as per details subjoined:—

	RS.
Pay of a Deputy Inspector of Vaccination on Rs. 70	840
Do. 2 Deputy Inspectors of Vaccination on Rs. 40 each	960
Do. 1st Deputy Inspectors on Rs. 18 each	432
Do. 7 2nd-class do. on " 18 "	1,260
Do. 29 2nd-class do. on " 10 "	3,480
Do. 9 Probationary Vaccinators on Rs. 7 each	756
Do. 3 Peons to the three Deputy Inspectors on Rs. 7 each	252
Travelling allowance to the three Deputy Inspectors	720
Do. do. to the three Peons	90
Vaccine instruments	60
Contingent charges (stationery, &c.)	450

Extra remuneration to Vaccinators	Rs. 100	in	Mon
Travelling allowance to Vaccinators and Probationers on special duty	39L.	for	the
Charges for artificial vaccination			
Total			

The Government having directed in G.O. No. 498 L., dated 3rd September 1891, that arm-to-arm vaccination must be discontinued, the charges for vaccinated children have been removed. The charges for vaccination have been decreased by Rs. 150, as in framing the last year's estimate, the accounts as "Cash recoveries," was not deducted from the estimate.

32. Rupees 31,880 are assigned for sanitation against Rs. 30,160 provided for the current year. The increase is chiefly due to the formation of new Unions under G.Os., No. 3118 L., dated 15th December 1891, and No. 1519 L., dated 1st July 1892, and to the contributions proposed for the Perampett and Kallavi Sanitary Committees by the Tirupatūr Taluk Board.

33. *Markets.*—The total of establishment and contingent charges for markets is put down at Rs. 340, the same as for the current year. A watcher on Rs. 4 having been sanctioned in G.O., Mis. No. 2393 L., dated 17th October 1892 for the Nainamalai market, the contingencies allotted for the market have been proportionately decreased.

34. *Choultries.*—Rupees 780 have been allotted for establishment and Rs. 340 for contingencies against Rs. 740 and Rs. 340 in the current year. The increase under establishment is due to the entertainment of a sweeper on Rs. 4 for the Paramathi Jubilee chattram sanctioned in G.O., Mis. No. 847 L., dated 5th April 1892.

35. *Public Bungalows.*—The increase of a round figure of Rs. 10 under this head is due to an increase of Rs. 8 per month proposed for the watcher of the bungalow at Burgur, the present pay of Rs. 8 being found insufficient.

36. *Contributions.*—The actuals of 1891-92 under contributions to "Sanitary Inspection," "Medical Reserve Staff" and "Outlet's establishment," have been entered in the budget. The Tirupatūr Taluk Board have proposed to cut down the contribution for the Municipal dispensaries of Tirupatūr and Vaniyambadi from Rs. 2,000 to Rs. 500, on the ground that the expenditure incurred in treating the in and out patients from outside the municipal limits is not more than Rs. 500. The usual provision has, however, been repeated, pending settlement of the question, and I request that the Government will be pleased to call on the Municipal Councils to show cause why the contribution should not be reduced as proposed by the Taluk Board. As regards contribution from the District Board to the Salem Municipal Council, the Council has only replied on the 17th instant to the resolution of the District Board. As in the view of the District Board, no good case has been made out by the Council, the contribution is entered as Rs. 1,000. The subject will be forwarded separately for the orders of Government.

The contribution to the Countess of Dufferin's fund is put down at Rs. 75 per year as there is only one lady apothecary under training now, and she will complete her course by the 30th June next. The provision has therefore been calculated for three months at Rs. 25.

37. *Miscellaneous.*—The sum of Rs. 30, provided under "Miscellaneous endowed institutions" is to meet the charges of maintaining a water-shed in the District Court compound at Salem (beyond municipal limits) for three months. The establishment of a water-shed at the Dharmapuri Taluk cutherry, sanctioned in G.O., Mis. No. 2199 L., dated 15th September 1892, has been removed as unnecessary. The amount for lighting is the same as that for the current year.

38. *Grant IV.*—Rupees 22,980 are budgeted for Miscellaneous charges against Rs. 21,480 in the current year.

Printing Establishment at the Presidency. Rs. 1,330.—The provision made under this head have been calculated at 0.63 per cent. of the receipts of 1891-92, as ordered in G.O., No. 2864 L., dated 14th December 1892.

Printing work at the Government Press.—The provision made has been calculated with reference to the actuals of this year.

District Audit Establishment, including contingencies.—An increase of Rs. 470 has been made under this head, with reference to the establishment sanctioned in G.O., No. 3118 L., dated 31st May 1892.

Local Boards' and Panchayats' Office Establishment and Contingencies.—The increase under these heads is calculated with reference to the new Unions formed under G.Os., No. 3118 L., dated 15th December 1891 and No. 1519 L., dated 1st July 1892, and the actuals of the current year in regard to the offices of the several Local Boards and the old Unions. The provision under "Miscellaneous" includes the cost of the following books and periodicals:—

District Board's office—

	RS.	A.	P.
(1) One copy of the Salem District Gazette	2	0	0
(2) Do. do. Madras Journal of Education	4	8	0
(3) Correction Slips to the Civil Service Regulations			
(4) One copy of the Civil Account Code, want of which is much felt			
(5) One copy of the Revised Educational Calendar and Directory (if published)			

The Salem Taluk Board wants a copy of the *Madras Journal of Education*, and the Tirupatūr Taluk Board wants that Journal and a copy of the District Gazette. The other Taluk Boards have not mentioned any as required for their offices.

Law charges.—Increased provision has been made under this head with reference to suits pending, or which may have to be instituted.

Pensions and Gratuities.—The actuals of 1891-92 are entered here.

39. A contribution of Rs. 39,275 is made from the District to Taluk funds against Rs. 32,830 in the current year. Considering that the District Board can provide no balance and, but a nominal reserve for itself, this figure cannot be raised.

40. The reserve calculated at 10 per cent. of the receipts, excluding those of endowments, amounts to Rs. 29,925, and no more than Rs. 6,275 can be provided. The reserve provided under all Local Boards, except Námakal, is only nominal, Rs. 1,535 under the District Board and Rs. 100 under the Taluk Boards.

The total expenditure excluding the contribution from the District to the Taluk Boards, but including the reserve, amounts to Rs. 3,68,830, as follows:—

	RS.
Salem District Board	1,01,460
Salem Taluk Board	67,790
Námakal do.	70,590
Hosur do.	84,230
Tirupatūr do.	44,760
Total	3,68,830

The balance at the close of 1892-93 is estimated at Rs. 14,405, as detailed below.

44. Under all the Local Boards, except that of Namakal, but a nominal has been provided. If the full reserve of 10 per cent. be provided, the transactions of each Board under General funds may be taken to be something like this:—

	Salem.	Hosur.	Tirupatūr.	Namakal.	District.

appears that while the Taluk Board's expenditure exceeds their receipts the District Board can contribute Rs. 30,360 to make the deficit. The figures, the Government will see that the District Board is able, after providing for its own services, of making a contribution of Rs. 30,000 every year to the Taluk Boards, and this amount is but short of the average contribution it has been making for several years past. The Taluk Boards, however, are all in large deficit due to the expansion of their receipts are stationary. To require revised budgets from them is not permit, and it may be the better course to allow their services to be at present, and to insist on economy in expenditure in the future, a reduction of their charges, rather than to take any violent measures of retrenchment now. The figures show, I think, that there is an urgent necessity for all Boards to effect retrenchments, which should not be allowed to fall on any one Grant, specially Grant I, but should be distributed on all. It has been the constant increase in the cost of the educational, vaccination, sanitary and medical services that has almost entirely brought about the present deficit.

From Surgeon-Lieutenant-Colonel J. A. LAING, Sanitary Commissioner, Madras, to the Chief Secretary to Government, dated Fort St. George, 26th January 1893, No. 232-S.

The extracts from the Salem District Board budget for 1893-94, forwarded to me for remarks, show that Rs. 10,440 and Rs. 31,880 are allotted for vaccination and sanitation, respectively, against Rs. 10,710 and Rs. 30,160 in the budget for 1892-93, the variations in either case being fully explained by the President in his covering letter. In the absence of any information regarding the total estimated receipts of the year, I am unable to say what proportion the provision for sanitary purposes bears to the same.

2. No details of sanitary works, if any, under Grant I have been furnished in the extracts sent to me.

From D. DUNCAN, Esq., M.A., D.Sc., Director of Public Instruction, to the Chief Secretary to Government, dated Madras, 27th January 1893, No. 694.

Referring to the educational portion of the Salem District Board budget for 1893-94, I have the honour to submit the following remarks.

The following grants taken credit for by the Board from Provincial funds should be disallowed:—

- (i) Rs. 443, Grants for Sessional Schools.—The Grant-in-Aid Code does not provide for payment of such grants, and further the Local Board are expected to bear all charges on account of such schools.
 - (ii) Rs. 798, Rent Grants for Board Primary Schools.—Payment of petty rent grants to Primary schools cannot be made, considering the funds at my disposal. Moreover, Local Boards are primarily responsible for all charges connected with the primary education for boys.
 - (iii) Rs. 560 Building Grants.—Building grants are not given for ordinary repairs and further funds will not be available for the purpose during 1893-94.
3. Charges.—The outlay budgeted under Grant II, aggregates Rs. 75,500 against Rs. 77,175, the actuals of the current year, and Rs. 66,218, the actuals of 1891-92. The Board's expenditure under the several heads meet with my approval. In Statement IV-A the results of the year are proposed to be paid to Board schoolmasters has been sent. The Secondary schools at Razipur, Shendamungalam and Uttank

(2) In the foot-note to Statement VI the provision for the repair of communications in pawns is stated as Rs. 2,750, and that for Namakal market Rs. 350, whereas in Statements I, B, and VII they are shown as Rs. 2,650 and Rs. 350 respectively.

(3) In paragraph 34 of the President's letter, G.O., No. 847 L., dated 5th April 1892, February 1892, has been quoted instead of G.O., No. 847 L., dated 5th April 1892, and as the authority for the entertainment of a sweeper on the Jubilee chattram at Paramati.

The necessary corrections have been made with reference to (3) above.

REVISED ESTIMATE FOR 1892-93

3. The actual opening balance was short of the estimate by Rs. 84,410, the deficiency being due to the postponement of land-cess collections and to the large outlay on relief works in 1891-92. The current receipts and charges are estimated at Rs. 4,70,110 and Rs. 4,03,420, respectively, against Rs. 3,35,350 and Rs. 3,75,420 in the sanctioned budget. The increase is chiefly under Land-cess and Provincial contributions in the one case and under Grant I in the other, reduced from Rs. 39,000 to Rs. 18,370 with reference to G.O., dated 13th January 1893, No. 41, Financial, communicated with G.O., dated 31st January 1893, No. 187 L. The balance to be carried forward to the ensuing year will then be Rs. 23,480, and belongs entirely to Endowment funds.

BUDGET ESTIMATE FOR 1893-94.

4. *Receipts*—The receipts for the ensuing year are set down at Rs. 3,38,500 against Rs. 4,31,110 in the revised estimate, exclusive of the provincial grant referred to in the preceding paragraph. The decrease occurs under Land-cess, the collections of which will be normal, as the current year should see most arrears wiped off. A small increase of revenue is, however, expected from the extension of house-tax and market fees. Credit will be taken for the special grant of Rs. 16,000 from Provincial funds sanctioned in the Financial Order quoted above, and the estimate of grants for education and school buildings will be reduced by Rs. 1,600 with reference to paragraph 2 of the Director's letter.

5. *Charges*—The charges are placed at Rs. 3,68,830 against Rs. 4,03,420 in the revised estimate. The decrease is chiefly under Grant I and consequent on the cessation of famine.

(1) *Grant I*—No expenditure should be incurred on the construction of the chattram buildings at Tirupatūr until the plan and estimates have been sanctioned by the competent authority. The President's proposal in paragraph 15 to expend on market feeder roads a larger proportion of the surplus receipts of markets than that prescribed is, in the special circumstances of the year, approved.

(2) *Grant II*—The proposition statements submitted with the President's letter are sanctioned. As recommended by the Director of Public Instruction, a provision of Rs. 100 for commission on sale of books at the usual rate of 15 per cent will be inserted, and the attention of the Taluk Boards drawn to the remarks and suggestions in paragraph 3 of Dr. Duncan's letter.

(3) *Grant III*—The entertainment of an additional female apothecary on Rs. 50 per mensem is sanctioned, and the payments proposed under "Public bungalows" and "Miscellaneous Endowed Institutions" in paragraphs 35 and 37 of the President's letter are sanctioned. The Tirupatūr Taluk Board should discuss with the Municipal Councils concerned, the question of reducing the contribution payable on account of the dispensaries at Tirupatūr and Vaniyambādi and then address Government. Pending orders on the subject, the contribution payable to the Salem Municipal Council on account of the hospital in that town, will be restored to the former amount of Rs. 2,000. The provision for animal vaccination will be entered at the gross estimated expenditure and the probable amount of sale-proceeds of the calves will be added on the revenue side.

The provision for control of Nishnageras at the Presidency, in paragraph 1 of G.O., dated 23rd April 1891, No. 988 L., have with reference to the receipts of 1891-92, including the famine including the opening balance. It will accordingly be raised from Rs. 1,870 to Rs. 1,950.

A sum of Rs. 6,270 is provided under reserve; this to Rs. 1,870, as otherwise there will be a deficit. The budget as presented closes with a balance of Rs. 10,560 distributed as follows:—

	RS.
Land-cess	1,950
Provincial contributions	8,610

It is suggested that measures should be made to increase the collections and restrict all unnecessary expenditure until the financial position of the Local Boards is improved. The Government concurs in the remarks made at the conclusion of the covering letter.
