Read—

Resolution by the Government of India, Home Department, No. 5—360—69, dated the 11th June 1888, on the subject of the closing of Government Medical Store Depôts against local medical institutions unaided by the Government.

The undermentioned papers on the subject of the grant to certain hospitals and dispensaries of the privilege of indenting upon the Government Medical Store Depôts :—

- Letter from the Government of Bombay, No. 5359, dated the 9th December 1895.
- „ to the Government of Bombay, No. 174, dated the 25th February 1896.
- „ from the Government of Bombay, No. 4166, dated the 22nd September 1896.
- „ „ the Government of Bombay, No. 933, dated the 20th February 1897.
- „ „ the Government of Bombay, No. 1877, dated the 6th April 1897.
- „ „ the Government of Bengal, No. 962-Medical, dated the 22nd Feb. 1897.
- „ „ the Government of Madras, No. 737-L., dated the 14th April 1897.

Resolution.—With a view to lighten the work of the Government Medical Store Depôts, it was decided in Home Department Resolution, No. 5-Medical—360—369, dated the 11th June 1888, that medical institutions independent of the Government should no longer have the privilege of indenting upon those depôts. A number of medical institutions have from time to time been exempted from the operation of these orders and several applications for similar exemption have recently been received by the Government of India. It has therefore been considered advisable to reconsider the orders of 1888 and the Governor-General in Council has decided that, subject to the following conditions, Local Governments and Administrations shall be empowered to authorize any institutions within their respective jurisdictions to obtain their supply of medicines, &c., from the Government Medical Store Depôts :—

- (1) The Inspector-General of Civil Hospitals must estimate his total requirements in sufficient time to enable the Store depôt to supply them; he must pass each indent when made and he must be held responsible that the total supply he takes in each year does not differ materially from the estimate.
- (2) The charges made by the depôt must cover the whole cost of the supply including freight, packing, issue and establishment, a percentage over the stock rates being fixed for this purpose.
- (3) As no customs duty is levied on medical stores imported on Government account, a further charge of five per cent. on importation value must be made by the issuing depôt to make up for the duty that would have been charged if the importation had not been on Government account. The percentage will be adjusted so as to cover this charge and the amount will not, for the present, be accounted for in any way differently from the rest of the recoveries.

- (4) The Military Department will debit the cost of each issue to the Local Government concerned, advising it of the debit, and the Local Government will accept responsibility for the prompt recovery of the amount charged; no question or dispute of any kind being permitted, unless the amount charged is first completely paid up.

Order.—Ordered, that a copy of this resolution be forwarded to the Governments of Madras, Bombay, Bengal, the North-Western Provinces and Oudh, the Punjab and Burma and to the Chief Commissioners of the Central Provinces, Assam and Coorg and the Resident at Hyderabad for information and guidance; that a copy be forwarded to the Financial and Military Departments for information and that a copy be forwarded to the Director-General, Indian Medical Service, for information.
