FINANCIAL DEPARTMENT.

From

Current Nos 301 L.F. & 602 L.F. from the President, District Board, Tanjore

FOR ORDERS.

With the first of the above letters the President of the District Board, Tanjore submitted a statement showi the villages to be included the several Unions with re to G. O dated 23rd October 1885, 60 L.F. As no mention was ma therein of Taluk Boards and as no information was furnishe regarding Unions in the Ta Taluk, the President was as to report whether the Taluk ule circulated with the ouse G.O. was correct or not far as the Tanjore District was concerned and to expedite his report in regard to Unions in the Tanjore Taluk. He was also desired to consult the Divisional Officers as regards the policy of immediately introducing the House tax in all the Unions. In the second letter read above the President states in reply that the Taluk Board schedule is correct and forwards a ist of the villages to be cluded in the Unions in Tanjore Taluk. The population the villages proposed to be cluded in the several Unions noted against them in the lists given in the President's tters. The distance of the lages included in the Unions from the main one is not en, but it is presumed that the areas of the several Unions are easily manageable as required in para 1 of G.O. dated 23rd October 1885 No 930 L.F. The notifications regarding Taluk Boards and Unions may now be published.

2. As regards the House tax, the District Board as well as the Divisional Officers approve of its levy in all the Unions and a sum of Rs 5,000 has been taken credit for under this head in the budget for 1886-87. The President may be asked to submit the draft notification required under section 60 of the Act.

The President does not state at what rate the house-tax is to be levied and this must be ascertained. It is further submitted that it is not desirable to introduce the house tax at once into all the 19 unions of the district. Of these are some 7 or 8 of fairly large and well known towns, the rest are other[illegible] not so. The Presdt. may [illegible]asked to select 8 of the number for the first experiment. If this plan is approved, the draft order of the following will be altered accordingly.

FORT ST. GEORGE,
19*th March* 1886.

(Signed) E. F. WEBSTER,
Chief Secretary.

To the Collector of Tanjore.

From J. B. PENNINGTON, Esq., President, District Board, Tanjore, to the Chief Secretary to Government, dated Vallum, 2nd April 1886, No. 32.

In reply to the official memorandum from Government, No. 153, dated 19th March 1886, I have the honor to report that the taluk board schedule contained in G.O., No. 930, dated 23rd October 1885, is correct so far as this district is concerned; and the list of revenue villages to be included in the unions of the Tanjore taluk is also submitted herewith.

2. With reference to the concluding portion of the official memorandum under reply, I beg to state that the Government order in question was duly circulated among all the divisional officers; and though the Deputy Collector, Mannárgudi, and the Assistant Collector, Patukóta, were not at *first* in favor of the imposition of the house-tax, yet, when they met at the meeting of the District Board to discuss and pass the budget for 1886-87, changed their views and agreed in the matter of levying house-tax from that year (*vide* copy of District Board's Proceedings, dated 30th November 1885, submitted with letter, No. 269, of the 25th December last).
