GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

Read—the following paper:—

From C. A. GALTON, Esq., Acting Collector of the Chingleput District, to the Acting Chief Secretary to Government, dated Conjeeveram, 19th December 1885, No. 1189 L.F.

I have the honor to re-submit, with the following alterations, the draft notifications circulated with G.O., Financial department, dated 23rd October 1885, No. 930 L.F.

2. *Taluk Boards.*—In the resolution of the Local Fund Board submitted with this office letter, No. 1117, dated 1st October 1884, it was proposed that the six revenue taluks in the district should be declared taluks within the meaning of Act V of 1884. This proposition was based on the presumption that the scheme regarding unions would be introduced on an extended scale, but as only a few unions are, in the first instance, proposed to be worked experimentally, it appeared undesirable in the opinions of my predecessor (Mr. Goodrich) and of the divisional officers consulted, that each revenue taluk should be formed into a separate Board—a view in which I quite concur. The revenue officer in charge of the division of the district wherein any taluk is situated being, under section 15 of the Act, ex-officio President of the Board of such taluk, the following constitution, as in the case of the majority of other districts, is suggested:—

Local Fund taluks proposed.	Government taluks which the proposed Local Fund taluks include.	Divisional officer or ex-officio President.
1. Chingleput	Chingleput .. .. Conjeeveram .. .. Madurántakam ..	Sub-Collector.
2. Saidápet	Saidápet .. .. Ponnéri	General Charge Deputy Collector.
3. Tiruvallúr	Tiruvallúr	Temporary Deputy Collector.

3. The above arrangement renders it necessary that the following changes should be made in the maximum number of members for the Taluk Boards:—

For the Chingleput Board, 18 members are proposed—6 official and 12 non-official—so as to allow of the appointment of three officials in addition to the three tahsildars of the respective revenue taluks. On the same principle, 15 members will be required for the Saidápet Board, there being two tahsildars in that division. The maximum of 12 fixed by Government will be sufficient for Tiruvallúr.

4. *Unions.*—The proposed unions have been limited to the towns named and also to such suburbs, &c., as would be attached to them if they were constituted municipalities. The names of the revenue villages comprised in each union are given in a separate list.

5. The Sub-Collector and the Temporary Deputy Collector recommend 12, and the General Charge Deputy Collector 10, members as the maximum for each panchayat. But I doubt whether so many qualified persons will be available, and I would fix 9 as the number for Chingleput, Saidápet and Tiruvallúr, and 7 for the other unions.

6. I do not consider it necessary or expedient to postpone the levy of the house-tax in any of the selected unions, as, without this source of revenue, it would be difficult to obtain sufficient funds for the purposes specified in the Act.
