GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

READ—the following paper:—

From the Surgeon-General with the Government of Madras, No. 242, dated 23rd April 1897.

With reference to G.O., No. 898 M., dated 13th April 1897, I have the honour to state, for the information of Government, that arrangements have been made to depute midwives to Guntakal, Arkonam and Pódanúr. I recommend that sanction may be accorded to another being sent to Kondapalli in the Kistna district.

2. As already reported to Government, there is now a female medical practitioner (Mrs. Small) at Tuticorin. This woman was, at the time of applying for plague duty to this office, holding an appointment under the Madura Municipality, and the District Medical and Sanitary Officer reports that the municipal council have not yet been able to secure a substitute. The Honorary Secretary, Countess of Dufferin Fund Committee, states that no female apothecary is available to take up the temporary appointment at Madura during Mrs. Small's absence. I would, therefore, request permission to post a midwife to Tuticorin and send back Mrs. Small to her appointment in Madura.

ORDER—No. 1048 M., dated 1st May 1897.
