GOVERNMENT OF MADRAS.

PUBLIC DEPARTMENT.

READ—the following paper:—

From J. P. HEWETT, Esq., C.I.E., Secretary to the Government of India, Home Department (Medical), to the Chief Secretary to the Government of Madras, dated Simla, 21st April 1897, No. 339.

I am directed to state that, with a view to lessen the strain that is imposed on the medical services in India, owing to the number of medical officers required in connection with the famine and plague, the Government of India sanction the appointment of retired Military Assistant Surgeons for plague and famine duty, on the condition that they are able to present a medical certificate of physical fitness. The appointments should in the first place be made for periods not exceeding six months.

2. The officers appointed may receive the pay of their grade at the time of retirement with an allowance of Rs. 100 a month, provided that their salary, inclusive of pension, shall not, as a rule, exceed a maximum of Rs. 350 a month. Local Governments and Administrations are, however, authorised to raise this limit to Rs. 500 a month in special cases.
