GOVERNMENT OF MADRAS.

PUBLIC DEPARTMENT.

READ—again the following papers:—

G.O., No. 101, Public, dated 4th February 1897.
 " " 232 " " 9th March 1897.

READ—also the following paper:—

From J. P. HEWETT, Esq., C.I.E.; Secretary to the Government of India, Home Department (Sanitary), to the Chief Secretary to the Government of Madras, dated Simla, 22nd May 1897, No. 1561.

I am directed to state that the Government of India consider it inadvisable that pilgrims returning from the Hedjaz during the present season should, in view of the existence of plague in Bombay, have any communication with the general population of that place before proceeding to their destinations. Arrangements are, therefore, being made under which pilgrims will, on disembarking at Bombay, be despatched to their destinations by special trains.

2. The Consul at Jeddah reports that about 3,000 pilgrims are likely to return this year from the Hedjaz in five ships leaving between the 20th May and the 15th July. The Government of Bombay has been requested to inform the Local Governments and Administrations concerned whenever returning pilgrims are despatched from Bombay.
