Ordering the publication of a notification declaring certain additional stations to be within the limits prescribed in Regulation 17 of the Regulations under the Epidemic Diseases Act, 1897, published in the *Port St. George Gazette*, under date the 6th April 1897.

GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

READ—the following paper:—

From H. A. STUART, Esq., Collector of Bellary, to the Secretary to Government, Local and Municipal Department, dated 3rd November 1897, Ref. on G. and B. No. 2433.

I have the honour to suggest that "Bombay to Wadi" should be substituted for "Bombay to Dhond" in the margin of Rule 17 of the Plague Regulations, as the plague has reached Sholapur and there is some danger of an influx of people from that neighbourhood to Kosgi and Adóni.

I do not propose any change in the limits on the Southern Mahratta system, as the inspection station at Hospet will act as an effective barrier on the west.

ORDER—No. 2529 M., dated 16th November 1897.

Ordered that the following notification be published in the *Fort St. George Gazette*:—
