WITH reference to the previous communication noted on the margin, I am directed to forward for the information of His Excellency the Governor a copy of a Notification No. 1356, dated 10th November 1897, which has been issued by this Government under the Epidemic Diseases Act, 1897, in supersession of Notification No. 312, dated 5th March 1897.

GAZETTE NOTIFICATION.

The 10th November 1897.

No. 1356.—*Notification.*—In supersession of the Regulations published with Notification No. 312, dated the 5th of March 1897, and in exercise of the powers conferred by the Notification of the Government of India, No. 302, dated the 4th of February 1897, the Hon'ble the Lieutenant-Governor, being satisfied that the Punjab is threatened with an outbreak of a dangerous epidemic, namely bubonic plague, and that the ordinary provisions of the law are insufficient for the purpose of preventing such outbreak, is pleased to prescribe the following Regulations under sub-section (1) and sub-clause (b) of sub-section (2) of Section 2 of the Epidemic Diseases Act, 1897 :—

I.—The Local Government may notify any ferry or any portion of any navigable stream, together with the approaches to or landing places of any such public ferry and any area on either or both banks of any such navigable stream, and any portion of any public road or place in the vicinity thereof, to be a place of inspection, and may by order in writing appoint one or more Inspecting Medical Officers for the same.

II.—When any notification under the foregoing clause has issued, the Regulations published with Punjab Government Notification No. 1345, dated 10th November 1897, shall, so far as may be, be deemed to apply to the place of inspection so notified, and to all directions and orders given thereat; and when any order in writing has been made appointing one or more Inspecting Medical Officers for any such place of inspection, the aforesaid Regulations shall, so far as may be, be deemed to apply to such Inspecting Medical Officer or Officers, and to all directions and orders given by such Inspecting Medical Officer or Officers: and every person shall obey any such direction or order as if it had been given under the provisions of the aforesaid Regulations.

III.—For the purposes of these Regulations Clause IV of the Regulations published with Punjab Government Notification No. 1345, dated 10th November 1897, shall be deemed to provide as follows :—

An Inspection Medical Officer may at his place of inspection direct any person travelling by water or road to proceed to and remain in any place or places from time to time specified by him, and may direct that any vessel be brought to and kept at any place or places from time to time specified by him.

IV.—For the purposes of these Regulations Clause V of the Regulations published with Punjab Government Notification No. 1345, dated 10th November 1897, shall be read as though for the words "travelling by railway" in sub-clause (1) were substituted the words "travelling by water or road."

V.—The Local Government may by notification prohibit the public or any class of persons from travelling to or from any local area specified in such notice either absolutely, or otherwise than by way of a place or places specified in such notification: and when any such notification has issued, no person shall travel to or from any local area in contravention of such notification.
