SIR,

As famine relief works are now being considered in the districts served by our North West Line, I have the honor to suggest that the Government may be moved to cause a feeder road to be constructed from Ponpadi Station to Muddur Village - a distance of about 1½ miles - and subsequently extended through the villages of Keesalam, Nedungal and Pothatoor to join the trunk road between Sholinghur and Nagari.

The villagers have pressed for years for this communication and the matter has been constantly before the Taluq board with no result.

I have the honor to be,
Sir,
