Para 57. of the Confidential Report on native papers examined by the Translators to the Government of Madras for the fortnight ending 15 May 1918.

57. A paragraph in the Kerala Patrika of the 7th May reports that a strange sort of fever is prevailing in Tamarcheri Amsam, Calicut, attended with swellings over the body. The fever proves fatal in three days. The attention of the District Medical and Sanitary officer is invited to the matter.

L. d. R. Should call for report as to this without delay.
