SIR,

Please see Office Instruct.

Referring to your Memorandum, No. 329 dated 17th current, I have the honour to state that only two spare copies are received at present. These are supplied to the Sub Collector and Head Quarter Deputy Collector in whose divisions the Municipalities lie.

2. At least six spare copies are required — one for myself, one for the clerk dealing with plague papers and one for each Divisional Officer.

3. I would suggest that it is advisable that these orders should also be communicated to Tahsildars and Deputy Tahsildars so that they may familiarise themselves with

the literature on the subject in time should any occasion arise for extended action. If this proposal commends itself, 16 more copies will be required.

SIR,

I have the honor to inform you that only 2 spare copies of Plague GOs are being supplied to my District. As three of the Sub Divisions of this District border on Haiderabad it is desirable that spare copies of important GOs should be available for issue to the Divisional officers in charge of them. And now that plague has declared itself in Calcutta, it might be well to have also copies for the fourth Sub Division which includes the port of Masulipatam. I have hitherto been circulating one of my spare copies to the Medical officer at Kondapalli, but it would be preferable to be able to issue him a copy to be retained.

2. I have therefor the honor to request you to be good enough to

to order the supply of 5 spare copies on the whole to me.

I have the honor to be,
Sir,
