2. To assist in the management of Plague operations His Excellency the Governor in Council is pleased to approve the appointment of a Special Deputy Commissioner, who will be invested, under the Epidemic Diseases Act, with all the powers of a Deputy Municipal Commissioner under the Bombay Municipal Act. Later on it may probably be necessary for the Municipal Commissioner to apply to the Corporation for a Second Deputy Commissioner.

3. His Excellency the Governor in Council is further pleased to approve the appointment of a special Medical officer for the charge of Plague Hospitals and other plague medical duties, who will be deemed to be a Joint Health Officer under the Municipal Act and will be invested with all necessary powers in that behalf.

4. It will be for the Municipal Commissioner, in consultation with and subject to the control of the Plague Commissioner, to maintain or reduce the existing organization and from time to time to increase establishments as may seem necessary, subject to the general or special orders of Government.

5. The Municipal Commissioner will be responsible for securing the loyal co-operation of all officers and departments subordinate to him (whether ordinary or special) in giving effect to any measure approved by the Plague Commissioner, and Section 522 of the City of Bombay Municipal Act shall be deemed to govern the conduct of the Police in regard to any such measure.”
