FROM E. A. Elwin Esquire,

To

THE

Secretary to Government

Local and Municipal Depart-
-ment,

SIR,

Cotacamund.

I have the honour to report that most of my 8 Plague Supervisors complain that, owing to the want of storm ropes, the rottenness and consequent liability to snap of such ropes as there are, and the existence of several rents in the outer flies, the single-poled tents supplied by the Ordnance Department in accordance with Government Order

280-P. mis are unfit for use, now
28-3-98

that the high winds, for which this district is notorious from June to September, and the rains have set in. I have satisfied myself by examining 3 of the 8 sets of tents that the above complaints are on the whole not exaggerated, and therefore solicit permission to purchase the ropes and to execute the repairs required to render the tents serviceable.

2. I may mention that the tents are officially described as "Un-serviceable. Fit for standing camps."

I have the honour to be

Sir,

Your most obedt servant,

Acting Collector
