LOCAL AND MUNICIPAL DEPARTMENT.

READ—the following paper:—

From M. YOUNG, Esq., Acting Sub-Collector in charge, Chingleput District, to the Secretary to Government, Local and Municipal Department, dated Saidapet, 15th July 1898, Ref. on No. 1053-Genl.

The District Medical and Sanitary officer, Chingleput, reports that several instances have been brought to his notice in which persons arriving from infected areas, who are provided with passports, do not present themselves for daily inspection for the next ten days before the local authority of the place of destination, as required by clause I of Regulation 17, issued in G.O., No. 466 P., dated 13th May 1898. He suggests that the liability arising from attempts to evade the regulation may be printed on the passport itself. The suggestion is a good one and it meets with my approval. I have the honour, therefore, to propose that Government may be pleased to direct that the following be added to the reverse of the form of passport which the Superintendent, Government Press, states is being prepared in the Government Office:—

"Any omission or neglect on the part of the holder of this passport to present himself for inspection before the local authority at the place of his destination, or to obtain from the proper authority an exemption from so doing, will result in his prosecution under Regulation 15 of the original Mufassal Regulations.

"Similarly the holder will be prosecuted for any omission or neglect to report forthwith to the local authority any change in his place of residence occurring within 10 days from the date of his arrival.

"*Regulation* 15.—Any person disobeying or contravening or refusing to submit himself to any regulation made under the Epidemic Diseases Act, 1897, or obstructing any measure which has been taken by Government or which any authority, or officer appointed under competent authority to carry out such regulation has been required or empowered to take under any such regulation shall be deemed to have committed an offence punishable under section 188 of the Indian Penal Code, and shall be liable, on conviction, to imprisonment of either description for a term which may extend to six months or fine which may extend to one thousand rupees or both."

ORDER—No. 703 P., dated 20th July 1898.

The revised form of passport sanctioned in G.O., No. 641 P., dated 2nd July 1898, contains an extract of the important portions of Mufassal Regulation 17 (G.O., No. 466 P., dated 13th May 1898), and the Superintendent, Government Press, will now be instructed to have the following note printed at the foot of the reverse of section B of the form:—

"*N.B.*—Any person disobeying or evading the above rules shall be deemed to have committed an offence punishable under section 188 of the Indian Penal Code with imprisonment of either description for a term which may extend to six months or fine which may extend to Rs. 1,000 or both."
