25-7-1898

Relaxing the rule requiring constables to accompany each boat conveying passengers or cargo, so far as the Ganjam district is concerned, but observing, with remark, that the regular night inspection of ships' crews by the Port Health Officer, cannot be dispensed with.

12/20/98

No. 591, MARINE, 7TH JULY 1898.

GOVERNMENT OF MADRAS.
MARINE DEPARTMENT.

READ—the following paper:—

From the Collector of Ganjam, dated 28th June 1898, No. 315-Eng.

ORDER—No. 591, Marine, dated 7th July 1898.

In G.O., No. 367, Marine, dated 11th May 1898, it is laid down, as one of the conditions for working cargo on *healthy* vessels from Calcutta, that ships' crews shall be inspected night and morning. The Collector of Ganjam now applies for a relaxation of this rule in his district. He requests that the night inspection may be dispensed with as it clashes with the Health Officer's duty of supervising the disinfection, on shore, of coolies, &c., who have boarded ships.

2. The Collector also requests that the precaution prescribed in G.O., No. 359, Marine, dated 8th May 1898, viz., that a constable should go off in each boat carrying passengers or cargo, may be dispensed with. He states that the constables, when they get into boats, become useless as they suffer from sea-sickness; and explains that the embarkation of passengers can be watched by constables posted on board and on shore.

3. His Excellency the Governor in Council has no objection, under the circumstances explained, to the relaxation proposed in regard to constables accompanying each boat conveying passengers or cargo, but is not prepared to dispense with the regular night inspection of ships' crews by the Port Health Officer. The coolies and others to be disinfected on shore must be kept until the Health Officer can land.

G.O., No. 359, 8th May 1898.

MAY.

Plague precautions.

Certain precautions suggested by the Port Health Officer, Madras, for embarkation of passengers by vessels arriving from Calcutta in quarantine, approved.

No. 359, MARINE, 8TH MAY 1898.

GOVERNMENT OF MADRAS.
MARINE DEPARTMENT.

READ—the following telegram :—

From Messrs. BINNY & Co., Madras, to the Secretary to the Government of Madras, Marine Department, dated 5th May 1898.

Request you will kindly pass necessary orders early to permit embarkation of passengers by vessels arriving from Calcutta in quarantine. Understand passengers allowed to embark at other ports.

Telegram to the Presidency Port Officer, dated 6th May 1898, No. 255-E.

Binny & Company wire for permission to permit embarkation of passengers by vessels arriving from Calcutta in quarantine. What objection is there?

Telegram from Presidency Port Officer, Madras, to the Secretary to the Government of Madras, Marine Department, dated 7th May 1898.

Yours sixth. Port Health Officer sees no objection, provided no persons other than intending passengers be allowed on board, that no person after embarkation quits vessel here, that no communication is allowed between crews of boats and crew of vessel. The difficulty will be in enforcing these restrictions unless police can assist. A constable should go off in each boat carrying passengers or luggage.

ORDER—No. 359, Marine, dated 8th May 1898.

The precautions suggested by the Port Health Officer are approved. Orders will issue in the Judicial Department in regard to Police arrangements.

2. The following telegram will be sent to the Presidency Port Officer :—

“Precautions suggested for embarkation of passengers approved. Apply to Commissioner of Police for constables.”
