SUBJECT.

Additional medical &c equipment and Establishment for Hospet Plague Inspection Station.

FOR ORDERS.

The Collr of Bellary forwards for orders applications from the medical officer in charge of Hospet Station for additional medical &c equipment and Establishment. The Surgeon General ~~apparently~~ and the Collr apparently support the applicn for equipment, but as regards Establishment, the Collr recommends a smaller staff. The articles & Establishment applied for are shown in the accompanying statement, in which those sanct for Tungabhadra are also shown for purposes of comparison. The Collr has telegraphed for early orders. The proposals as modified by the Collr may be sanc

Plague

Copy of letter No. 152 dated 5-7-98 from the Medical officer in charge of Hospet Inspection Station to the Collector of Bellary.

—

I have the honour to submit herewith a list of requirements for the efficient working of the Hospet Plague camp, and to request that the necessary sanction from Government may be obtained at an early date in accordan with para 2 mufassal regulations unde the Epidemic Diseases Act 1898 (vid Government Order No. 2830-M. dated 17th December 1897).

—

Submitted (through the Surgeon-Gener to Government, Local and Municipal Department, for favour of early orders

2. The indent appears to have been submitted by the medical officer

with reference to the concluding sentence of the headnote to the list of articles mentioned in para 6 of Government Order $\frac{93\text{-}P.}{26\text{-}2\text{-}98}$.

3. For the present, I recommend that the establishment be increased by 1 hospital assistant, 1 clerk, 1 water-woman, 1 male ward attendant, 1 female ward attendant, 1 cook for Europeans and Eurasians, 1 sweeper and 1 toti. A water-woman, a male ward attendant, and a female ward attendant are certainly required to assist in the various pro-cesses of dis-infection: a sweeper is required to sweep out the various sheds and to remove dirty water from the bathing cisterns.
