Plague No. 1 to Letter No. 7 d/g 1/9/98
277

Plague Research Laboratory,

Mazagaon:

Bombay, June 23rd 1898.

Dear Dr Elliot,

With reference to my telegram that the prophylactic serum is obtainable by indent on payment, I am directed by Dr. Haffkine to state that the arrangement with the Government of Bombay is that the serum be supplied free within the Presidency of Bombay and that a charge of half an anna per dose be levied on serum sent out of the Presidency.

The money we get from the latter is sent to the Accountant General and is utilized for Laboratory purposes.

But Prof: Haffkine is of opinion that since the Government of Madras lent the services of Surgeon-Major Bannerman to the Laboratory for a considerable time - that they ought to be supplied with the serum free of charge also and that if you will communicate thus with the Government of Bombay the necessary permission will in all probability be obtained.

I regret the delay in sending you the "Inoculation Forms" due to an error on the part of the clerk.

With kind regards,

Yours Sincerely,

(Signed) C.J. Milne.

The price of syringes (Roux Pallem) by the way - is as follows:-

10 c.c.	Rs. 18
20 c.c.	Rs. 24

Madras,

From

SURGEON-MAJOR-GENERAL F. SIBTHORPE, C.B., F.R.C.P.I.,

SURGEON-GENERAL WITH THE

GOVERNMENT OF MADRAS,

To

THE HON'BLE THE CHIEF SECRETARY TO GOVERNMENT,

Local and Municipal DEPARTMENT.

Sir,

In forwarding herewith copy of a letter dated 23rd June 1898 from Dr Haffkine, I have the honour to request that you will kindly move the Bombay Government with a view to the necessary permission being given to Dr. Haffkine to supply the serum free of charge to this Presidency.

I have the honor to be,

Sir,

Your most obedient servant,

C. Sibthorpe

Surgeon-Major-General,

Surgeon-General with the Government
of Madras.

Plague

Urgent

No. 1623
S

From

Surgeon-Major H. Thomson, M.B., D.P.H.,

Acting Sanitary Commissioner for Madras,

To

The Secretary to Government,

Local and Municipal Department.

Enclosure.

Sir,

With reference to your endorsement NO. 68 P dated 18th July 1898, I have the honour to state that, on receipt of Memorandum NO. 55 P dated 2nd July 1898 as nothing was known in this office regarding any Prophylactic left in Bombay by Surgeon-Major Bannerman, I wrote to him requesting information and have not yet received an answer.

2. There is prophylactic stored in this office enough for 5000 cases brought by Dr. Bannerman from Bombay in April. No new supply has arrived here nor have steps been taken by this office for a renewed supply from Bombay. I would advise the Bombay Government being addressed as to arrangements for replenishing the stock as it becomes exhausted.

I have the honour to be,

Sir,

Your Most Obedient Servant,

H. Thomson

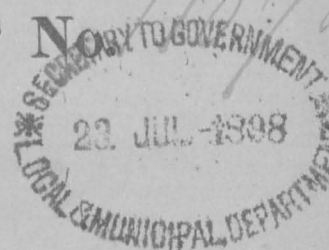

Surgeon Major,

Ag: Sanitary Commissioner for Madras.

Office of Sanitary Commissioner,
Fort St. George, 21st July 1898.

No. 1635
5

From

Surgeon Major H. Thomson, M.B., D.P.H.,

Acting Sanitary Commissioner for Madras,

To

The Secretary to Government,

Local and Municipal Department,

Fort Saint George.

Enclosure.

Sir,

In continuation of my letter of yesterday's date
No. 1623/s, I have the honour to inform you that Surgeon
Major Bannerman has wired to me this day to say that he
left no prophylactic at Bombay.

I have the honour to be,

Sir,

Your most obedient servant,

H. Thomson.

Surgeon Major,

Ag. Sanitary Commissioner, Madras.

Again G.O., dated

from the Sanitary Comm.

SUBJECT.

Plague prophylactic.

FOR ORDERS.

Surgeon-major Bauman
when returning from Bombay
brought with him prophylactic
sufficient for 5,000 cases. It
is now stored in the office of
the Sanitary Commr. Apparently
none of it has yet been used.

2. No arrangements have
been made for replenishing the
stock as it becomes exhausted,
and the Surgeon General and the
Sanitary Commr. suggest that
the Bombay Govt be addressed
on the subject. The S. G.
recommends that the Bombay
Govt be asked to supply the
prophylactic from its laboratory
free of charge & in support of
this, forwards a S. G. letter written
to—

not yet

in the Dhawar and Belgaum Sts,
and has reappeared in H.H. the
Nigami dominions (at a place
about 10 miles to the East of
Sholapur) instructions may be
issued to carry out G.O. No 359 P.
of 19-4-98. When this order was
passed, it was thought that only
a trained specialist could perform
inoculation. This is not the case,
and the S.G. who was recently asked
to issue a circular to all St
Medical as to the method of
inoculation, has prepared one, which
is being printed. A copy will be
circulated as soon as it is received.
The St Medical & Sanitary Officer &
the Addl Medical Officer of Bellary
and Karmoor, and the Medical
Officers in Charge of the Plague
inspection stations at Hospet
and Tungabhadra may be asked
to get themselves inoculated and
asked to inoculate all who voluntarily
apply come & desire to be inoculated.
4. The Sanitary Commr may
be asked to prepare, for wide
circulation among the people, a brief
notice setting forth the advantages
of

not yet

not yet
75798

not yet

to his Secretary under
Prof. Haffkine's instructions. The
following is an extract from
this letter:-

"I am directed by Dr. Haffkine
to state that the arrangement
with the Government of Bombay
is that the serum be supplied
free within the Presidency of
Bombay and that a charge
of half an anna per dose be
levied on serum sent out of the
Presidency. But Dr. Haffkine
is of opinion that since the Govt
of Madras sent the services
of Dr. Major Bannerman to
the Laboratory for a considerable
time, they ought to be supplied
with the serum free of charge also,
and that if you will communicate
this with the Govt of Bombay,
the necessary permission will
in all probability be obtained."

3. Orders requested whether
the Govt of Bombay should be
addressed accordingly at once
or when the existing stock of the
prophylactic begins to be
used. As plague is increasing
in

not yet

of inoculation and stating
that all who desire it will be
inoculated free of charge by
the officers to be named in the notice.
