FROM

J. H. Robertson Esq.,
Collector and District Magistrate of

Trichinopoly,

TO

THE CHIEF SECRETARY TO GOVERNMENT,

Local and Municipal DEPARTMENT,

Madras.

SIR,

with reference to paragraph 5 of
G.O. dated 27th April 1898, No. 396-1,
I have the honour to report that the
instructions contained in rule 3 of
the rules printed in G.O. No. 522, M.
13-3-97
for the division of Municipal towns
into Circles, have been carried
out in this district.

2. As regards the number of
European officers required in the
event of plague breaking out, the
Chairman of the Trichinopoly
Municipality thinks that, for
effective supervision, three
European officers of the rank and
pay of a Lieutenant would be

necessary.

3. The Srirangam Chairman states that the Municipality, with its small income, cannot afford to engage a separate European officer, but is willing to contribute any reasonable amount towards the pay and allowance of one of the European officers employed by the Trichinopoly Municipality, if his services are allowed to be utilized in Srirangam in case of emergency. I do not, however, consider that this arrangement will be satisfactory, and am of opinion that the employment of one European officer of the rank of Lieutenant is essential for efficient supervision in that Municipality.

I have the honour to be,

Sir,

Your most obedient servant,

Mundanaik
