2. The fact however observes that
the fact that the finances of the C.
are in a good state is not itself
a good reason for dispensing with the
appointment of a Secretary, for an efficient
Secretary should be able both to increase
revenue & economize expenditure. Council deciding what business
should be delegated to the Secy
requesting that
Secretary to defer the appointment
a Secretary may be deferred
for one year.

As regards the postponement of him for a year, I think it right to say that the Council is not unanimous and that certain members recorded a minute of dissent.

I have not been here long enough to give a valuable opinion and as the post of Secretary is a new creation, his use can only be discussed on a priori grounds.

I believe however that the present Chairman takes a good deal of interest in municipal matters and that he can devote his whole of his time to his work, unlike the chairmen of most municipalities, who are bankers, merchants & men in other ~~calling~~ professions. The municipality has based its resolution on the want of pounds sterling & pence and the budget which provides for loan of Rs 35000 seems to bear out this decision.

CHAIRMAN, MUNICIPAL COUNCIL
KUMBAKONAM.

TO

The Secretary to Government,
Local & Municipal Department,
The District Collector, & The Collector of Tanjore.

SIR,

With reference to G. O. No. 2455 (1897) dated 6th November 1897, I have the honour to submit herewith the copy of the resolution of the Council dated 31st March 1898 deciding what powers should be delegated to the Secretary to be appointed, together with a copy of the Subcommittee's report referred to therein.

2. I have also submitted herewith the copy of the resolution of the Council dated 7th April 1898 requesting Government to defer the appointment of Secretary for one year, inasmuch as, in the opinion of the Council, the present Chairman devotes ample time to Municipal affairs and carries on the

administration efficiently and as the
Finance of the Council are so slender as to
bring it to the sad necessity of raising loans
to the extent of Rs 28,000 for carrying out cer-
tain important Sanitary works which call
for their immediate attention.

I have the honour to be

Sir

your most obedient Servant

2. The present Chairman is able and apparently willing to devote his whole time to the Municipal duties, and as the administration in 1896-97 was found to be "fairly satisfactory", the Government may perhaps not be indisposed to allow the appointment of a Secretary to be postponed as requested by a majority of the Council.

3. In the matter of delegation of powers the Council does not go far enough to allow of the Secretary being really useful. Among other points it will be noticed that the Secretary has no power of appointment or punishment over the establishment he is supposed to control, and that the executive ^{of} power and responsibility Section 320 remain with the Chairman.

4. If a Secretary is to be appointed the Council should, I suggest, be asked to reconsider their resolution as to

to delegation of powers. Apparent oversight such as the omission of Section 73(1) from the ^{list} ~~list~~. Though Section 66(1) & (2) has been included. Can be at the same time remedied.
