In my observation scheme for this District submitted with my letter, R.O.C. no. 2473(P) of 98, dated 24th October, 1898, I proposed, among others, the appointment of a Special Clerk on Rs. 45, in my office for plague work, and your predecessor in his Proceedings, no. 615, dated 9th November, 1898, approved of all my proposals. But the Government Order, no. 1508 P, dated 6th current, which sanctioned the constitution of only 4 of the 12 circles proposed, is silent on this point. The work in connection with plague has hitherto been got through chiefly by myself and by my English Head Clerk working at high pressure but a continuity of this cannot, I fear, be maintained any longer, and the work has of late so much increased that it is found to interfere considerably with other work. I therefore consider it quite necessary that the Special Clerk applied for by me should be appointed without delay. I therefore request to be informed, at your earliest convenience, if I can, on the strength of your office Proceedings quoted above, to obtain such a Clerk at once.

I have the honour to be,
Sir,
Your most obedient servant

J. A. Cunningham
for Acting Collector.
