READ—the following paper:—

From J. P. DAVIDSON, Esq., Executive Engineer, Chingleput division, to the
Superintending Engineer, V Circle, dated 23rd August 1897, No. 1592.

With reference to G.O., No. 2050 W., dated 28th July 1897, communicated
with your endorsement, No. 290 G., dated 14th instant, I have the honour to enquire
whether the work (restoring the cross-road connecting the Chunampet-Madurantakam
road with the Merkanam-Tindivanam road) can be proceeded with, pending allotment
of funds by Government later on in the year. The work is well in hand and all the
materials required for the masonry works are ready at site, and it will be a pity to stop
the work at this stage.

2. I presume that steps have already been taken to place the amounts of contri-
bution due by the district boards of South Arcot and Chingleput and by the zemindar
of Chunampet at the disposal of the department, through the Accountant-General,
Madras.

3. Early orders are requested.

No. 350 W.

proceed with the work.

27th August 1897.

(Signed) C. C. RAWSON, Lieut.-Col., R.E.,
Superintending Engineer, V Circle.

ORDER—No. 3572 W., dated 20th December 1897.

In the circumstances explained, the Superintending Engineer is authorized to
proceed with the work.

2. The Local and Municipal and Revenue Departments will be requested to
arrange to place at the disposal of the Public Works Department, as early as possible,
the amounts due by the district boards of Chingleput and South Arcot and the
