GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

READ—the following paper :—

From M.R.Ry. V. SUBBA RAO Avargal, B.A., Chairman, Municipal Council, Karúr, to the Secretary to Government, Local and Municipal Department, (through the Sub-Collector of Coimbatore), dated 14th May 1898, No. 5.

With reference to G.O., Mis. No. 766 M., dated 15th April 1898, directing that the election of councillors in Karúr may take place for the town as a whole and that no division into wards is necessary, I have the honour to submit herewith copy of the resolution of the municipal council requesting that Government may reconsider the order and sanction the division of the town into at least two wards.

2. The council thinks that election by the town as a whole will place it entirely in the hands of a single caste, the Komitties, who form a majority in the town. It is proposed to have two divisions, *the East* and *the West*, with the Car and Mettu streets as the dividing line.

3. I find from an accurate list of voters revised a few days ago that there are in all 450 voters, of whom 160 are Komitties, and although they form a large number, the apprehension that they will form the majority against all the other classes put together need not be entertained. My suggestion to divide the town into four wards so as to have the Bazaar or Komittee street as a separate electoral division was intended to provide against any single class having predominance.

4. This proposal not having been sanctioned, the council wishes to have the town divided into at least two wards as per suggestion of the Sub-Collector in paragraph 4 of his letter to Government.

5. Statement giving the number of voters of each class in the two suggested divisions, their boundaries and a plan of the town showing them, are submitted for the orders of Government.

4. Proceedings of the Madras Government, Mis. No. 766 M., dated 15th April 1898, sanctioning the proposal of the Sub-Collector to have the whole town as a single ward for election purposes.

Resolution.—The council resolves that the Government may be respectfully requested to reconsider the order and sanction the division of the town into at least two wards, as otherwise the election will be mainly in the hands of the people in the Bazaar street.
