SUBJECT.

Special Charge Officer, Salem

FOR ORDERS.

The following remarks were made by the Hon. Sir Henry Bliss on Case 1433 P and have been approved by H.R. and the Hon. Mr. Chundel.

"I see Salem has an Asst. Collr. The Collr. should be asked whether he wants an additional officer to help in the arrangements he is making to guard his northern frontier against Bangalore. I think we had better get him a Staff Corps Officer."

1/9/98.

2. The Collr. of Salem has already in his letter of 30/8/98

No 49 (Cdr. 1830 P.) written—
"In case any sporadic cases arise, I shall require a special gazetted officer either to conduct plague operations or to relieve the Col. of his ordinary work."

3. In another report separately submitted for orders, the Col. of Salem has proposed

- 7 Road inspection Stations
- 12 Observation Circles

Hosur Taluk is quite near Bangalore, and people are reported to be immigrating into the Taluk, and already the two imported cases of plague have been detected at Hosur.

~~After~~ After an interval of 3 days, there have been 4 new cases on the 30th & one case on the 31st at Bangalore.

The addl Officer seems therefore necessary. Orders solicited whether he should be a staff corps officer & be obtained from Genl of India on whether Mr. Spencer, the Dist. Col. of Salem may be placed on plague duty. He worked in Bellary during the last famine and his work was frequently commended by the Famine Commr.

4. On the papers relating to

Get Staff Corps officer
H.I.

to plague arrangements in Madras, H.M. has noted as follows:—

- "Meanwhile let the President get nominal rolls ready of the men to fill all the Supervisors and other subordinate posts, and see what the programme laid down for obtaining the services of military officers is. We should give notice at once that we may want ten for Madras, if possible acquainted with Tamil. I can't remember if Bellary and other large towns have been partitioned off into wards. If not, they should be, and the nominal rolls of Supervisors should be prepared. India has, I think, decided that all these Supervisors shall be Europeans, which I suppose, would include East Indians of the better class."

A— The President has been informed accordingly

B— The procedure is given in G.O. No 718 P 426-7-98

C— This has been done. A tabular statement will be prepared as soon as the file of replies to a paper on this point is complete.

D— The Col. will be instructed accordingly

Give notice at once (H.I.)
