SUBJECT.

Forwarding with remarks, proposition statement for revision of establishment of the Dh Medical and Sanitary Officer's Office. It is proposed that an office at Funtakal was established. Everybody taking tickets at Funtakal. It would work well if 6-8 women as a few are attached for the special service. The present establishment is not sufficient. The present establishment is not sufficient. The present establishment is not sufficient.

The present strength of the D. M. & S. Office at Funtakal is 2 clerks on Rs. 30 & 15 (Sanctioned by the Collector on 27-8-98 & 3-9-98) and another clerk on Rs. 20 sanctioned in this office Pro No. 682 of 16-11-98. The clerk on Rs. 20 is said to be engaged in connection with the working of the passport system & to maintain the inoculation registers, and the other two clerks for checking pay & travelling allowances & the preparation of periodical returns & incidents for medicines & to attend to the general correspondence of the office. The order regarding the maintenance of the inoculation registers was issued in Pro. No. 795 of 24-11-98 (Put up for revision with C. No. 1899 regarding housing & clothing of troops on Malabar), in view of receipt of the S. C.'s inspection notes of Funtakal village. The order is embodied below.

S.C.'s note
Para: 7 inoculation

In the meantime it is a serious blot upon inoculation operations in this area that the D. M. & S. O. has not found it possible, in the midst of the heavy work entailed by the conditions surrounding Funtakal, to maintain a register showing details of cases inoculated. He states that could he manage if he were allowed a clerk on Rs. 15. This I think should be given at once, as well as 6-8 women as a few are attached for the special service. The present establishment is not sufficient. The present establishment is not sufficient. The present establishment is not sufficient.
