ORDER.

The Government does not consider that a special officer is needed under the circumstances stated. The number of arrivals from infected parts being so few, the duty of issuing passports to them should be entrusted to the local medical subordinate, or the Station Master, and the inspection of hotels and Chattrams must be made by the ordinary Sanitary Staff of the Municipality. If a special officer is, however, found to be absolutely necessary, he should be an officer of a higher status than an officer on Rs 10 who can be of no real use to the town.

THROUGH THE COLLECTOR OF SALEM.

Sir,

I am submitting herewith a copy of the Council's resolution passed at its meeting held on the 27th July 1898 regarding the appointment of a special Sanitary Inspector on Rs 10 for plague duty. I have the honour to state that the appointment was made in accordance with G. O. No. 556 p dated 11th June 1898 from the 19th July 1898 as the Council found that the present Sanitary staff was unequal to the task of properly carrying out the duties of observation. If the present staff were made to attend trains at day and night, the daily work in the town might suffer. I therefore request that you will be so good as to obtain the sanction of Government for the same.

2. The pay of the special Sanitary Inspector will be met from the Cholera and Plague reserve Rs 500 provided in the Current year's budget.
3. The necessary proposition statement is submitted herewith.

I have the honour to be,
Sir,

of Salem.

With reference to your letter Reference no. 1559 dated 19th instant, I have the honor to state that the Special Sanitary Inspector has been entrusted with the duties of watching all the passengers that alight from all the trains at Tirupattur Railway Station both day and night, issuing passports to passengers coming from infected area, inspecting the residence of men passported and inspecting hotels and Chattrams.

2. The total number of passengers passported from 20th July to 22nd August 1898

was (9) nine. Bangalore having since been

been treated as an infected area, the average
 number of passengers passed from the
 23rd up till now is 18, making a total of 27.
 his figures are average of about 1 per diem
 which may increase as long as Bangalore
 continues to be an infected area.

I have the honor to be
 Sir,
