Proceedings of the Board of Revenue (Land Revenue), No. 262, dated 30th September 1898.

Resolution—No. 262, dated 30th September 1898.

In continuation of the Proceedings noted on the margin, the Board begs leave to submit to Government the revised and the budget estimates of charges for 1898–99 and 1899–1900 under 3-A. Land Revenue—Charges of District Administration and 3-C. Land Records and Agriculture—Revenue Inspectors.

2. The Board has not made any provision in the budget estimate for 1899–1900 on account of the contemplated revision of Tahsildars' and Deputy Tahsildars' establishments; but if the scheme is likely to be introduced with effect from the 1st April next, the estimate should be raised by Rs. 95,000 in round figures, being $\frac{1}{1\frac{1}{2}}$ of the increased expenditure (Rs. 1,04,034) referred to in paragraph 2 of Board's Proceedings, No. 135, dated 3rd June 1898.

Order—No. 1180, Financial, dated 6th December 1898.

The estimates as shown in the appendix to these Proceedings are accepted, subject to the following remarks:—

(i) *General Establishments—Salaries.*—(*a*) The number against "Exchange compensation allowance" in the column 1899–1900 should be stated.

(*b*) The exchange compensation allowance payable during the third quarter of the current year should have been calculated at $6\frac{3}{16}$ per cent., the rate fixed for that quarter, and not at 7¼ per cent. of the salary as taken by the Board of Revenue. The provision under the revised estimate for the current year on this account will be reduced by Rs. 750.

(*c*) The deduction for probable savings under General Establishments will be raised by Rs. 4,000, having regard to the fact that the year 1897, which is one of the three years adopted by the Board of Revenue for arriving at the average, was an exceptional year with few furloughs.

(ii) *Establishment.*—Orders are under issue relative to the appointment of additional officers and establishment to effect a speedy completion of the registration of janmam titles in Malabar. The requisite provision on this account will be made. A lump provision of Rs. ·95 lakh will also be entered in the budget estimate for the ensuing year on account of the contemplated revision of the Tahsildars' and Deputy Tahsildars' establishments in the Presidency.

(iii) *Supplies and Services.*—The provision made in the budget estimate for the ensuing year on account of charges for the "Translation of Mahratta Paimash accounts" will be struck out. In 1897–98 the actual expenditure was only Rs. 6. If any charge on this account is likely to be incurred, a special application should, if necessary, be made to the Government for an allotment.

(iv) *Contingencies.*—(*a*) The provision made on account of clock-winding will be omitted with reference to the instructions in G.O., No. 1007, Financial, dated 3rd December 1897.

(*b*) The cost of lighting charges for *Sub-Divisional Establishments* will be limited to the sanctioned estimate for the current year. These charges should not be encouraged.

(*c*) The budget provision for the ensuing year in respect of certain items under this head will be reduced as shown below:—

Tentage of Officers	33,081	33,257	32,982	33,004	*Travelling allowance of officers.*—The Board has adopted the estimate of Collectors for the current and ensuing years amounting to Rs. 1,18,800 and 1,16,300, respectively, against the sanctioned estimate of Rs. 1,12,000. The increase occurs chiefly in Nellore (Rs. 1,500), Cuddapah (Rs. 1,500), Anantapur (Rs. 2,000) and Bellary (Rs. 1,500). The increase in Nellore is attributed to Famine, while that in Bellary is ascribed to officers being on constant tour in connection with measures adopted for the prevention of plague. The Collector of Cuddapah states that the estimate has been fixed with reference to the actuals of the first four months of the current year and of the last eight months of 1897-98. The Collector of Anantapur has not explained the increase; but his estimate has obviously been based on the actuals of the first four months.

					Travelling allowance of establishment.—The total of the actuals of the first four months of the current year (Rs. 27,565) and those of the last eight months of 1897-98 (Rs. 42,296) have been adopted in round figures for both the revised and budget estimates, a slight deduction being made with reference to the actuals of 1897-1898.
					SUPPLIES AND SERVICES.
Elephant Charges	3,564	4,384	2,900	3,408	*Search fees.*—The actuals of last year amounted to Rs. 1,53,694 against the sanctioned estimate of Rs 1,200. The increase occurred chiefly in Ganjám (Rs. 29,000), Anantapur (Rs. 7,199) and Bellary (Rs. 1,15,725) and was due to adjustment of fees to the credit of the Registration Department for searches made in connection with the grant of numerous loans under the Land Improvement and Agriculturists' Loans Acts on account of famine. For the revised estimate of the current year and for 1899-1900, the total of the Collectors' estimates has been adopted.

Total	3,27,000	2,51,213	2,61,539	4,68,249	*Management of Estates.*—The increase in the actuals of 1897-98 as compared with the sanctioned estimate for the year was due chiefly to the payment of Rs. 2,546 made to certain relatives of the last holder of the Konde Estate on account of the one-fourth share of the income due to them for faslis 1303 to 1307 under G.O., No. 3345, Revenue, dated 2nd July 1897, and to the inclusion under this item of a sum of Rs. 1,275 paid on account of arrears of Land Revenue and cesses due on certain other escheated estates which had in previous years been deducted from the gross receipts. The Collector of South Canara provides Rs. 8,500 for 'Management of Konde Estate', and Rs. 1,000 for the management of other estates in the revised estimate for the current year and states that the increase of Rs. 2,270 under the former item is required to cover the payment of the balance of the arrears of income due to the relatives of the last holder for faslis 1303 to 1307, and that the latter item includes Rs. 325 being the probable cost of the construction of a revetment on the Budoli Estate. The Board observes that the balance of one-fourth share of income from Konde Estate which was paid in June 1898 was Rs. 2,468 and that in addition to this a further sum of Rs. 1,500 is payable in March next for fasli 1308, so that the increase to be provided for is about Rs. 3,968. The Board would accordingly fix Rs. 10,200 + Rs. 1,000 or Re. 11,200 as the revised estimate for the current year and adopt the Collector's figure Rs. 8,800 for the budget estimate of the ensuing year.

* G.Os., No. 430, dated 12th March 1898, Judicial and R. No. 985, dated 12th September 1898.

EXPLANATORY REMARKS.

(*b*) The average of the actuals of the past three years for "Hot and cold weather charges" under General and Sub-divisional establishments, having been Rs. 4,423, the sanctioned estimate is retained.

(*c*) Collectors estimate the charges under this head at Rs. 15,112 for both the revised and budget estimates. Considering that the actuals of the first four months of the current year and the last eight months of 1897–98 have amounted only to Rs. 14,304, the Board would adopt this figure for both years.

(*d*) As the actuals of the first four months of the current year and the last eight months of 1897–98 have amounted to only Rs. 5,343, the Board would adopt the actuals of last year in round numbers for the revised and budget estimates.

Telegram and Postage charges under General and Sub-divisional establishments.—The provision in the revised and budget estimates has been made with reference to Collectors' Estimates as modified slightly with reference to the actuals of the first four months of the current year. The increased provision is considered necessary in view to the measures undertaken for the prevention of the plague and the possibility of an extension of famine-relief operations.

Salaries.—For the revised estimate, the Board has adopted Rs. 5,83,000, which represents very nearly the average of the actuals of the past three years and is also almost identical with the actuals of the first four months of the current year *plus* those of the last eight months of 1897–98.

EXPLANATORY REMARKS.

Establishment.—The revised estimate has been fixed with reference to the (Rs. 8,20,099) average of the actuals of the past three years.

Probable savings.—The actuals for three years compare with the cost of the sanctioned scale as shown below:—

Net excess expenditure, Rs. 6,000.

* This represents the actuals of the first four months.

ALLOWANCES.

Travelling allowance of Tahsildars.—The actuals of the first four months of the current year have amounted to Rs. 14,944. At this rate, the probable expenditure for the whole year will be Rs. 14,944×3 or 44,832. Against this sum Collectors provide Rs. 47,100 for the revised and budget estimates. As the actuals of the first four months of the current year and the last eight months of the previous year have amounted to Rs. 46,858, the Board would fix the estimates at Rs. 47,000 in round figures.

Travelling allowance of establishment.—The total of the actuals of the first four months (Rs. 24,010) and of those for the last eight months of the previouse year (Rs. 46,566) has been adopted in round figures at Rs. 70,000 against the Collectors' estimates of Rs. 73,860 for both the revised and the budget estimate.

EXPLANATORY REMARKS.

SUPPLIES AND SERVICES.

Remittance of Treasure within the district.—Collectors' estimates amount to Rs. 17,910 for the revised estimate and to Rs. 18,110 for 1899–1900. As these amounts very nearly correspond with three times the actuals of the first four months of the current year, viz., Rs. 6,209, the Collectors' estimates will be adopted in round figures at Rs. 18,000 for both the years.

Charges for the service of Revenue process.—The average of the actuals of the past three years has been adopted.

		Rs.
Kurnool	... ...	60,236
Vizagapatam	... ...	18,823
Cuddapah	... ...	3,434

Fees for searches in Registration Offices.—The affected districts of Kurnool, Vizagapatam and Cuddapah chiefly contributed to the large expenditure during 1897–98. For the revised and budget estimates, the Collectors' figures have been adopted.

The provision for the remaining items has been based on the anticipated requirements of Collectors.

Contingencies.—The provision against the several sub-heads has been made with reference to the anticipated requirements of Collectors.

EXPLANATORY REMARKS.

Coir charges.—The decrease in the actuals as compared with the sanctioned estimate is ascribed to the fact that the quantity ofcoir due for fasli 1306 was, for the most part, received earlier than usual and paid for in March 1897. The revised and budget estimates are based on the Collector's figures.

Establishment.—For details of establishment—*vide* Appendix D.
Provision is made for payment of local allowance at Rs. 15 per mensem to the Local Aulit clerk in the Nilgiris—*vide* G.O., No. 985, Financial, dated 12th September 1898.

Travelling allowance.—In the sanctioned estimate of the current year, no provision was made under this head, because the Board understood from a letter from the Accountant-General that the charge on account of travelling allowance would be incurred directly from Local funds. As the actuals, however, show that the charge is debited in the first instance to Land Revenue, the Board would fix both the revised and budget estimates at Rs. 1,500.

Contingencies.—Provision has been made with reference to the requirements reported by Collectors. The amounts applied for by Collectors have, in some instances, been reduced in order that the total provision on account of contingencies may not exceed the sanctioned estimate too much.

The total of the revised estimate of the current year represents the sum of the actuals of the first four months of the current year (Rs. 11,515) and the actuals of the last eight months of the previous year (Rs. 23,678).

Establishment.—For the budget estimate of special fund audit charges, the sanctioned scale has been adopted after allowing for probable savings as ascertained from Collectors' estimates.
