I have the honor to state that the Municipal Council, Vizianagaram at its meetings held on the 26th March and 29th April 98 resolved to keep the right of collecting its Toll Revenue under departmental management during 1898-99, instead of letting it out on contract as hitherto, for reasons stated in its proceedings dated 26th March 1898 copy of which is herewith forwarded -

2. For the purpose of collecting the revenue from tolls there are 6 toll gates at the several entrances of the town, and at each gate there should be one toll collector & two peons, the former on Rs 5/- and the two latter on Rs 3/- each.

3. For the supervision of the work of the various gatekeepers, for checking all vehicles & animal

shandys and festival days when the influx of cart passengers will be large, an inspector is appointed on Rs 7-8-0

4. For doing all work in connection with the collection of toll revenue such as issuing toll tickets to the different toll gates, checking the counterfoils of tickets returned from the several gates to the office, and to maintain all the prescribed records with regard to the management of the collection, a clerk on Rs 10 is employed in the office -

(a) Memorandum of Conditions for the Contractors who wish to bid for the right of collecting Tolls leviable on animals vehicles & carts entering the municipal limits during 1898-99.

The revenue from Tolls was 12250 for the current year. The highest bid was for Rs 9000 for the next year of Biccavali Parvatisem. There has been no competition whatever. About 15 years ago, the Council understood the tolls had been worked departmentally and are therefore not in a position to form a correct estimate of its revenue.
