Copy of letter from the Divisional
Officer Adoni to the Collector of Bellary
dis: no: 138 d/ 2nd February 1898.

Adverting to your Ref: on G+B 2440 d/ 6th November 1897, I have the honour to state that the Adoni Municipal Town may be divided into 5 wards for electoral purposes, one elective seat being assigned to each ward.

The five wards are the following:-

(1) VenKammaKeri.
(2) Underpett
(3) Bhorpett
(4) Mahratwadi
(5) Khilichpett.

The Chief Castes in the town having votes under the franchise are Mahamadans, Salés, (Weavers) and Lingayats, and these are to be found in each of the five wards now proposed. A map showing the limit of the wards and a statement of their boundaries are submitted herewith.

In para 3 of G.O. no. 188 M, Financial d/ 12th June 1885, it has been ruled that unless there is any special reason to the contrary each town should be divided into half as many wards as there are elective members. According to this rule the Adoni town has to be divided into three wards. I submit that owing to the peculiar features of the town, it cannot be divided into three convenient wards. The divisions now proposed are so arranged ~~that~~ each different class of the population shall be fairly represented in the Council, and the proposal may be approved.

3. I have made these proposals in consultation with the Chairman of the Municipality.

4. The list of voters is under preparation by the Chairman and he has promised to give the estimated number of voters when the list is ready.
